

VANCOUVER, BRITISH COLUMBIA--(Marketwired - Jun 3, 2015) - [Levon Resources Ltd.](#) ("Levon" or the "Company") (TSX:LVN)(BERLIN:LO9)(FRANKFURT:LO9)(OTCQX:LVNVF) is pleased to announce that Levon's shareholders (the "Shareholders") and optionholders (together with the Shareholders, the "Securityholders") have voted today at the special meeting of Securityholders (the "Meeting") to approve the previously announced plan of arrangement (the "Arrangement") involving SciVac Ltd. ("SciVac"), Levon and 1027949 B.C. Ltd. The Arrangement was approved by 97.64% of the votes cast by Shareholders and 98.06% of the votes cast by Securityholders, voting together as a single class, at the Meeting.

Ron Tremblay, President and Chief Executive Officer of Levon, said, "We are pleased that Levon's Securityholders have overwhelmingly approved the Arrangement, helping to create tremendous shareholder value. In a difficult market for resource issuers, Levon has given Shareholders the opportunity to diversify their holdings by spinning out its mining assets and allowing Shareholders to also participate in the pharmaceutical industry through this transaction with SciVac."

For details of the Arrangement, please see Levon's management information circular dated May 1, 2015 and Levon's press release dated March 20, 2015, both of which have been filed on Levon's profile on SEDAR at www.sedar.com.

Levon's application to the Supreme Court of British Columbia to obtain the final order approving the Arrangement is scheduled for Thursday, June 4, 2015. The Company looks forward to satisfying the remaining conditions and successfully completing the Arrangement.
