TORONTO, June 5, 2015 /CNW/ - DNI Metals reports it has increased the non-brokered private placement announced May 27, 2015 to \$900,000 or 6,923,076 units to accommodate demand.

Insiders of the corporation subscribe to 1,800,000 units offered under the private placement (the "Insiders' Participation"). The Insiders' Participation is exempt from the formal valuation and shareholder approval requirements provided under Regulation 61-101 respecting Protection of Minority Holders in Special Transactions ("Regulation 61-101") in accordance with sections 5.5(a) and 5.7(a) of said Regulation 61-101. The exemption is based on the fact that the market value of the Insiders' Participation or the consideration paid by such insider does not exceed 25% of the market value of the corporation. The corporation did not file a material change report at least 21 days prior to the completion of the private placement since the Insiders' Participation was not determined at that moment.

Private Placement

The Corporation's Board of Directors has approved a Private Placement allowing it to complete a non-brokered private placement of up to 6,923,076 Units at a price of \$0.13 per Unit for gross proceeds of \$900,000.00 (the "Private Placement"). Subject to TSXV approval.

Each unit consists of one Common share and one Warrant. Each warrant entitles the bearer to purchase one Common Share of the corporation at an exercise price of C\$.20 per share for a period of 18 months from the closing date.

The use of Proceeds of the Private Placement will be for corporate cash flow purposes.

The increase of the offering is subject to the approval of the TSX Venture Exchange.

Neither the TSXV nor its Regulation Services Provider (as that term is defined in the policies of the TSXV) accepts responsibility for the adequacy or accuracy of this release.
