During this call, Pure Energy CEO Robert Mintak will provide commentary on recent news releases in the context of the Company's business plan. Following this presentation, Company Management will accept questions by e-mail and telephone by investors or stakeholders, regarding the business of the Company. Mr. Mintak will be joined on the call by Pure Energy COO Dr. Andy Robinson and V.P. of Business Development Alexi Zawadzki.

The conference call is open to any investor or stakeholder, including shareholders, broker-dealers and other securities professionals. The call will be recorded and available for review at the Company's website shortly after the call. Management will accept questions by e-mail and telephone, to submit one or more questions, please email your question to CEO@pureenergyminerals.com with the words 'Investor Question for Conference Call' in the subject line before 8 am June 23rd, 2015. Pure Energy management will endeavor to address as many questions as possible in the thirty minute time period allocated to the call. To participate in the call, please use the following login credentials:

Dial-In Number: 949-229-4400 Participant Code: 13672

Participants are requested to call in at least 10-minutes before the call to ensure timely participation.

About Pure Energy:

Pure Energy is an integrated lithium mining and processing developer with a focus on green 'cradle to cradle' lifecycle solutions for lithium supply in North America. Pure Energy is currently focused on the advancement of our prospective Clayton Valley Lithium Brine Project, located contiguous and to the southeast of the only producing lithium mine in the United States, Rockwood Lithium's Silver Peak lithium brine mine.

We seek Safe Harbor.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

On behalf of the Board of Directors

Robert Mintak
Chief Executive Officer
