

# Marlin Gold Mining Ltd.: Provides Corporate Update

23.06.2015 | [Marketwired](#)

VANCOUVER, June 22, 2015 - [Marlin Gold Mining Ltd.](#) (TSX VENTURE:MLN) ("Marlin" or the "Company") announces that Mr. John Brownlie has resigned from Marlin's board of directors. The Company's board of directors is now comprised of Messrs. Akiba Leisman, Mike Liddell, Jesse Munoz and John Pontius.

On June 12, 2015, Marlin welcomed Mr. Jesse Munoz as interim COO of the Company replacing John Brownlie, Marlin's former CEO and COO. Mr. Akiba Leisman assumed the role of interim CEO at the same time.

## *About Marlin Gold*

Marlin is a TSX-V publicly-listed company with properties located in Sinaloa and Zacatecas, Mexico and Arizona, U.S.A. Marlin's priority is to advance its properties toward commercial production and enhance shareholder value through financial optimization, namely through the growth of its wholly-owned subsidiary, Sailfish Royalty Corp. The La Trinidad property, which hosts the Taunus gold deposit, declared commercial production on November 1, 2014. An NI 43-101 mineral resource estimate and preliminary economic assessment for the Taunus gold deposit can be found at [www.sedar.com](http://www.sedar.com) or at [www.marlingold.com](http://www.marlingold.com).

## *Cautionary statement regarding forward-looking information*

*This news release contains 'forward-looking statements' within the meaning of applicable securities laws. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by words such as the following: expects, plans, anticipates, believes, intends, estimates, projects, assumes, potential and similar expressions. Forward-looking statements also include reference to events or conditions that will, would, may, could or should occur, including in relation to statements regarding the expected results and timing for the development and exploitation of any mineral resources. These forward-looking statements are necessarily based upon a number of estimates and assumptions that, while based on management's expectations and considered reasonable at the time they are made, are inherently subject to a variety of risks and uncertainties which could cause actual events or results to differ materially from those reflected in the forward-looking statements, including, without limitation: uncertainties related to raising sufficient financing to fund planned work in a timely manner and on acceptable terms; changes in planned work resulting from logistical, technical or other factors; the possibility that results of work will not fulfill projections/expectations and realize the perceived potential of the Company's projects; uncertainties involved in the interpretation of drilling results and other tests and the estimation of gold resources; risk of accidents, equipment breakdowns and labour disputes or other unanticipated difficulties or interruptions; the possibility of environmental issues at the Company's projects; the possibility of cost overruns or unanticipated expenses in work programs; the need to obtain permits and comply with environmental laws and regulations and other government requirements; fluctuations in the price of gold and other risks and uncertainties, including those described in the Company's public disclosure documents on SEDAR at [www.sedar.com](http://www.sedar.com). As a result, readers are cautioned not to place undue reliance on these forward-looking statements. The forward-looking statements contained in this news release are made as of the date of this release. Unless required by law, Marlin has no intention to and assumes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.*
