RENO, Nev., June 23, 2015 (GLOBE NEWSWIRE) -- Brilliant Sands Inc. (OTC:BRSD), positioned to become one of the leading frac sand producers and suppliers across Canada, today announced that it has retained Investor Relations Partners (IRP) to expand the Company's strategic investor relations program.

"This is an exciting time for Brilliant Sands and we believe with the help of Investor Relations Partners we will be able to more broadly and effectively communicate our story to the investment community," said Marc J. Andrews, Brilliant Sand's President and Chief Executive Officer. "We have a number of exciting developments at Brilliant Sands, including top tier quality sand and a definite logistic & transportation advantage in Canada. As a result, Brilliant Sands is positioned to meet the significantly increasing demand for imported sand products, domestically in Canada. We expect 2015 to be a breakthrough year for Brilliant Sands and its shareholders and look forward to updating the market on our progress as we continue to execute on our business plan," concluded Mr. Andrews.

Todd Markey, Vice President of Investor Relations Partners, said, "We are looking forward to communicating Brilliant Sand's investment story to beyond its existing shareholder base and the frac sand and oil and gas exploration community. We believe Brilliant Sands should be of particular interest to value and growth investors given our belief that the company is significantly undervalued when considering the vast potential of its industry leading and cost-competitive frac sand systems, its active acquisition strategy, and its explorations of select mining properties," concluded Mr. Markey.
