08.07.2015 | [Marketwired](#)

ANCOUVER, Jul 8, 2015 - [First Mining Finance Corp.](#) ("First Mining") (TSX VENTURE:FF) (OTCQB:FFMGF) and [Coastal Gold Mining Corp.](#) ("Coastal Gold") are pleased to announce the completion of the previously announced plan of arrangement (the "Arrangement").

Under the Arrangement, First Mining has acquired all of the issued and outstanding common shares of Coastal Gold. Shareholders of Coastal Gold are entitled to receive 0.1625 First Mining common shares for each common share of Coastal Gold previously held.

Keith Neumeyer, Chairman of First Mining said, "I would like to take this opportunity to personally welcome Coastal Gold shareholders into our company. We have many exciting plans. The acquisition of Coastal Gold and its 100% owned Hope Brook Gold Project is an attractive and strategic addition for First Mining's portfolio. The transaction provides Coastal Gold's shareholders with exposure to First Mining's large portfolio of mineral projects as well as one of the most respected teams of management in the mining sector."

With the Arrangement now complete, shares of Coastal Gold are anticipated to be delisted from the TSX Venture Exchange on or about July 10, 2015. Shareholders of Coastal Gold will receive shares of First Mining to which they are entitled upon delivery to Computershare Trust Company of Canada ("Computershare") of their Coastal Gold share certificates and completed letters of transmittal together with other required documents. Shareholders are encouraged to contact Computershare at 1-800-564-6253 or [corporateactions@computershare.com](mailto:corporateactions@computershare.com) for further information concerning the exchange process.
