

Siyata Mobile Completes RTO Transaction With Teslin River Resources Corp.

27.07.2015 | [Marketwired](#)

Siyata Mobile Inc. (the "Company" or "Siyata"), formerly [Teslin River Resources Corp.](#) (formerly TSX VENTURE:TLR) ("Teslin"), announces that it has completed its previously announced reverse takeover transaction between Siyata Mobile Inc., Teslin, and a subsidiary of Teslin, through a three cornered amalgamation. Prior to closing, Siyata acquired the Siyata Mobile Group assets of Israel-based cellular technology company, Accel Telecom Ltd. ("Accel"). The Siyata Mobile Group assets are now owned through BC and Israeli incorporated subsidiaries of the Company.

Siyata Mobile Inc. is a leading global developer and provider of a vehicle mounted communications platform over advanced mobile networks. Customers include cellular operators, commercial vehicle technology distributors and fleets of all sizes in Canada, Europe, Australia and the Middle East. Siyata's "Connected-Vehicle" devices and accessories are specifically designed for professional fleets such as trucks, vans, buses, ambulances, government cars and more. Siyata's aims to provide greater mobile connectivity for professional drivers and facilitate replacement of the current in-vehicle, multi device status quo with a single device that incorporates voice, data and fleet management solutions.

As part of the transaction, Teslin completed a 2.2 for 1 share consolidation and changed its name to Siyata Mobile Inc. All outstanding warrants of Teslin have been exercised and all stock options cancelled. An aggregate of 4,800,000 options have been authorized to be issued to certain directors, officers, employees and consultants of Siyata, at an exercise price of \$0.30 per share.

Immediately prior to closing, Siyata completed on a second tranche of its previously announced private placement transaction, through Haywood Securities Inc. ("Haywood"), for an additional \$173,489.10, bringing the total proceeds to \$4,178,490. An additional 578,297 subscription receipts were issued at a price of \$0.30 per subscription receipt.

The private placement subscription receipts, from both tranches, converted in to common shares of Siyata immediately prior to closing of the transaction. Through the amalgamation transaction, Siyata issued a total of 47,979,582 common shares, including 33,333,333 common shares to Accel and 13,928,300 common shares to the private placement investors. The balance of the shares were issued in full settlement of all corporate finance and finders' fees. Siyata also issued 7,173,076 share purchase warrants exercisable at \$0.60 per share for two years. The agents in the private placement also received agents' options entitling them to acquire 1,192,829 shares of Siyata at a exercise price of \$0.30, for a period of two years.

Following completion of the transaction, Siyata has a total of 59,587,337 common shares issued and outstanding. Accel reports that it has ownership, control and direction over an aggregate of 33,333,333 common shares of the Company, representing 55.9% of Siyata's issued and outstanding common shares.

Accel acquired the shares pursuant to the amalgamation transaction and, as disclosed in the Early Warning Report accompanying this news release, may in the future acquire or dispose of securities of the Company, through the market, privately or otherwise, as circumstances or market conditions warrant.

A copy of the early warning report filed with the applicable securities regulators regarding the above acquisition is available under the Company's SEDAR profile (www.sedar.com).

The shares issued to Accel are held in escrow pursuant to the requirements of the TSX Venture Exchange (the "Exchange") and are releasable as to 25% on closing and 25% at six, twelve and eighteen months thereafter.
