TORONTO, ONTARIO--(Marketwired - Aug 5, 2015) - <u>Alexandria Minerals Corp.</u> (TSX VENTURE:AZX)(FRANKFURT:A9D)(OTC PINK:ALXDF) is pleased to announce that it has engaged the services of FronTier Merchant Capital Group ("FronTier") for Investor Relations Services.

FronTier, an experienced Investor Relations group with multiple marketing offices across North America and a home office in Toronto, Canada, will assist the company by increasing market awareness for Alexandria utilizing a number of financial market communications initiatives. The core of this activity will be facilitating in-person introductions with institutional and retail brokers and investors in a number of cities across Canada, the US, Europe and Australasia. FronTier will also oversee certain other marketing campaigns for Alexandria such as PR distribution, Media outlets, and Digital Advertising, augmenting the Company's current marketing activities.

Under the terms of the engagement, FronTier has been retained for a 6 month period at \$6,000 per month plus direct expenses. As well, the Company has granted 200,000 stock options to FronTier, at an exercise price of C\$0.10, expiring in 5 years. Further information about Frontier, and their role with Alexandria, can be found on FronTier's website, www.FronTierMCG.com.

Further information about Alexandria is available on the Company's website, www.azx.ca, or our social media sites listed below:

About Alexandria Minerals Corporation

<u>Alexandria Minerals Corp.</u> is a Toronto-based junior gold exploration and development company with important gold resources on one of the largest properties along the prolific, gold-producing Cadillac Break in Val d'Or, Quebec, and a significant presence in the Snow Lake-Flin Flon gold-base metal mining district of Manitoba. The Company's properties have potential for large mineral discoveries and, located as they are in established mining districts, have potential for near-term production.

WARNING: This News Release may contain forward-looking statements including but not limited to comments regarding the timing and content of up-coming work programs, geological interpretations, receipt of property titles, potential mineral recovery processes, etc. Forward-looking statements address future events and conditions and therefore involve inherent risks and uncertainties. Actual results may differ materially from those currently anticipated in such statements. Alexandria Minerals Corp. relies upon litigation protection for forward-looking statements.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
