

Vancouver, BC / TheNewswire / August 10 2015 - [Cardiff Energy Corp.](#) (the "Company") (TSX-V: "CRS", Frankfurt: "C2Z.F", US Pinksheets: "CRRDF") would like to provide an update on the drilling of the Clayton #1H well. It has been determined with consultation from Martin Energies, operator of the Clayton #1H well and Company's representatives that the current drill contractor should be replaced due to performance issues. A new drill contractor has been engaged and will commence drilling shortly. The drill employed will be larger and more powerful with a very experienced crew. The Company anticipates faster drilling and completion of drilling of the Clayton #1H well with the equipment employed.

The Company would also like to announce the retirement of Lorne Torhjelm as CEO and Director of the Company. Lorne was the founder of [Cardiff Energy Corp.](#) and has led the company since inception. The Company thanks Lorne for his dedication and leadership. Jack Bal, President of [Cardiff Energy Corp.](#) will become the CEO of the Company.

Jack Bal, President and CEO of Cardiff Energy Corp., states "We feel we have a solid team drilling the Clayton #1H well and expect the well to be completed in the near term. I would also like to thank Lorne Torhjelm for his guidance and support."

President and Chief Executive Officer

Neither TSX Venture Exchange nor its Regulation Service Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

This news release contains forward-looking statements relating to the future operations of the Company. Forward-looking statements are often identified by terms such as "will", "may", "should", "anticipate", "expects" and similar expressions. All statements other than statements of historical fact, included in this release, including, without limitation, statements regarding future plans and objectives of the Company, are forward looking statements that involve risks and uncertainties. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. Important factors that could cause actual results to differ materially from the Company's expectations are exploration risks detailed from time to time in the filings made by the Company with securities regulations.

The reader is cautioned that assumptions used in the preparation of any forward-looking information may prove to be incorrect. Events or circumstances may cause actual results to differ materially from those predicted, as a result of numerous known and unknown risks, uncertainties, and other factors, many of which are beyond the control of the Company. As a result, we cannot

guarantee that any forward-looking statement will materialize and the reader is cautioned not to place undue reliance on any forward-looking information. Such information, although considered reasonable by management at the time of preparation, may prove to be incorrect and actual results may differ materially from those anticipated. Forward-looking statements contained in this news release are expressly qualified by this cautionary statement. The forward-looking statements contained in this news release are made as of the date of this news release, and the Company does not undertake any obligation to update publicly or to revise any of the included forward-looking statements, whether as a result of new information, future events or otherwise, except as expressly required by applicable securities laws.
