

VANCOUVER and TULSA, OK, Aug. 11, 2015 /CNW/ - [Jericho Oil Corp.](#) ("Jericho" or the "Company") (TSX-V: JCO; OTCQX: JROOF), a growth-oriented oil company engaged in the acquisition, exploration, development and production of overlooked and undervalued oil properties in the U.S., announces that it has been extended an invitation and will be presenting at EnerCom's The Oil & Gas Conference® 20 held August 16-20, 2015 in Denver, Colorado.

Allen Wilson, President and CEO, is scheduled to present on Wednesday, August 19 at 2:45pm MT. The presentation will be broadcast live via the conference website at <http://www.theoilandgasconference.com>.

Conference participation is by invitation only and registration is mandatory. For more information or to schedule a one-on-one meeting with Jericho, please visit the conference website at <http://www.theoilandgasconference.com>.

About Jericho Oil Corporation

Jericho is focused on growth through consistent, predictable and repeatable high margin conventional oil production by bringing new and proven technology to legacy, onshore basins in the U.S. Jericho has acquired a 50% interest in 8,100 acres in the Mid-Continent and is actively seeking additional properties in the region. For more information, please visit www.jerichooil.com.

Cautionary Note Regarding Forward-Looking Statements

This news release includes certain "forward-looking statements" within the meaning of the United States Private Securities Litigation Reform Act of 1995 and Canadian securities laws. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. Important factors that could cause actual events and results to differ materially from Jericho's expectations include risks related to the exploration stage of Jericho's project; market fluctuations in prices for securities of exploration stage companies; and uncertainties about the availability of additional financing.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
