

Electra Stone Ltd.: \$2 Million Dollar Investment Approved at Annual and Special Meeting of Shareholders

31.08.2015 | [ACCESS Newswire](#)

VANCOUVER, BC / ACCESSWIRE / August 28, 2015 / [Electra Stone Ltd.](#) ("Electra" or the "Company") (TSX.V: ELT) (FSE: 44E1) is pleased to announce results of the vote by shareholders at its annual and special meeting held on August 27, 2015 in Vancouver, British Columbia, Canada.

Results of Annual and Special Meeting

A total of 20,489,561 Common Shares were represented at the Meeting, representing approximately 35% of the outstanding shares.

Each of the director nominees proposed by management were elected to the Board of Directors:

John Costigan, Darrell Dudley, Kyler Hardy, John Gorham and Wei Zhang.

At the meeting, shareholders also approved the following resolutions:

- Appointment of De Visser Grey LLP, as auditors for the ensuing year and authorizing the directors to fix their remuneration;
- Approval of the 2015 Stock Option Plan; and
- Approval of a resolution for a private placement of \$2,000,000 which upon closing will create a new control person through the issuance of 40,000,000 shares and 40,000,000 warrants. In addition the same investor has a convertible note outstanding which will be converted at closing into an additional 9,000,000 shares and 9,000,000 warrants.

The private placement is subject to execution of final agreements and TSX Venture Exchange approval. Upon closing a director appointed by the controlling shareholder will replace one of the existing Electra board members, so that the new control group would have 2 of its nominees on the board of 5 directors. .

About Electra Stone

[Electra Stone Ltd.](#) is a mining company concentrating on the development of and exploration for Nephrite Jade and industrial minerals. Electra's recent entrance into the Jade sector was catalyzed by increased global market pressures towards price and demand for BC Nephrite Jade. Electra also continues to operate its Apple Bay aluminum-silica quarry on Vancouver Island, which has been in continuous operation since 2003.
