

THUNDER BAY, ONTARIO--(Marketwired - Sep 1, 2015) - [Source Exploration Corp.](#) (the "Company" or "Source") (TSX VENTURE:SOP)(FRANKFURT:4QW) today announced the appointment of Ms. Vivian Gu as Chief Financial Officer effective immediately. As a Certified General Accountant, Ms. Gu has 16 years in public practice, corporate accounting and reporting, including corporate financial management. She holds a Master's degree in Science from Shanghai Jiao Tong University and a Financial Management Diploma from BCIT. Ms. Gu will succeed Mr. Lance Dyll who recently accepted a senior accounting position with another employer.

Brian Robertson, President and CEO, stated, "We are very pleased to have Ms. Gu join Source and look forward to working with her as the company advances. We also wish to thank Mr. Dyll for his important contributions and dedication to the company and wish him well with his future endeavours."

The Company also announces it has granted a total of 140,000 options to Ms. Gu pursuant to the Company's Stock Option Plan. The options were granted at an exercise price of \$0.08 with a five year expiry term. This grant is subject to acceptance for filing by the TSX Venture Exchange.

About Source Exploration

Source Exploration is a Canadian based mineral exploration company committed to building long-term value through ongoing discoveries and strategic acquisitions of prospective precious metals deposits in Mexico. Source is exploring the Las Minas Project, which is located in the core of the Las Minas district in the Veracruz State, Mexico. The district is host to one of the largest under explored skarn systems known in Mexico and has a strong production history that dates back to the Aztec era.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING INFORMATION: This news release includes certain information that may constitute "forward-looking information" under applicable Canadian securities legislation. Forward-looking information includes, but is not limited to, statements about the magnitude or quality of mineral deposits, anticipated advancement of mineral properties or programs, future operations, results of exploration, prospects, commodity and precious metals prices, future work programs, anticipated financial and operational results, capital expenditures and objectives and the completion and timing of mineral resource estimates. Forward-looking information is necessarily based upon a number of estimates and assumptions that, while considered reasonable, are subject to known and unknown risks, uncertainties, and other factors, which may cause the actual results and future events to differ materially from those expressed or implied by such forward-looking information, including the risks identified in the Company's disclosure documents available at www.sedar.com. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information. Accordingly, readers should not place undue reliance on forward-looking information. All forward-looking information contained in this press release is given as of the date hereof and is based on the opinions and estimates of management and information available to management as at the date hereof. The Company disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as required by law.
