

VANCOUVER, BRITISH COLUMBIA--(Marketwired - Sep 8, 2015) - [Energold Drilling Corp.](#) (TSX VENTURE:EGD) ("Energold" or "the Company" or "Energold Group"), a leading worldwide operator and manufacturer of mineral, energy, geothermal, geotechnical and water well drilling rigs, has been invited to present at the 2015 Liolios Gateway Conference being held on September 9-10, 2015 at the Four Seasons Hotel in San Francisco, California.

Energold management is scheduled to present on Thursday, September 10, 2015 at 4:00 p.m. Pacific time, with one-on-one meetings held throughout the conference. Management will introduce the company to new investors and update current investors on the company's performance and its outlook for 2015.

The presentation will be webcast live and available for replay in the investor relations section of the company's website at www.energold.com and on the Gateway Conference website at www.gateway-conference.com/presenters. To receive additional information, request an invitation or to schedule a one-on-one meeting, please email gateway@liolios.com.

On behalf of the Directors of [Energold Drilling Corp.](#),

Frederick W. Davidson, President, CEO

Cautionary Note Regarding Forward-Looking Statements:

Some statements in this news release contain forward-looking information. These statements include, but are not limited to, statements with respect to proposed activities, work programs and future expenditures. These statements address future events and conditions and, as such, involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by the statements. Such factors include, among others, the effects of general economic conditions, a reduction in the demand for the Company's drilling services, the price of commodities, changing foreign exchange rates, actions by government authorities, the failure to find economically viable acquisition targets, title matters, environmental matters, reliance on key personnel, the ability for operational and other reasons to complete proposed activities and work programs, the need for additional financing and the timing and amount of expenditures. [Energold Drilling Corp.](#) does not assume the obligation to update any forward-looking statement.
