

MONTREAL, QUEBEC--(Marketwired - Sept. 14, 2015) - [Geomega Resources Inc.](#) ("GéoMégA" or the "Company") (TSX VENTURE:GMA) is pleased to announce that Mr. Kiril Mugerman has been appointed President and Chief Executive Officer of GéoMégA and succeeds Mr. L. Derek Lindsay previously appointed on an interim basis. The appointment of Mr. Mugerman is effective immediately. Mr. Lindsay will continue his duties as Chief Financial Officer of GéoMégA.

Mr. Mugerman joined GéoMégA in September 2014 and was promoted as Director of Corporate Development in January 2015. He brings both technical and financial experience to GéoMégA. Prior to joining Industrial Alliance Securities Inc. ("IAS") as a mining specialist, Mr. Mugerman worked on advanced stage exploration projects internationally with [Gold Fields Ltd.](#) in West Africa, central Asia and Latin America. At IAS, he served as a mining analyst in the industrial minerals sector focusing in the rare earth elements, graphite and potash sectors. He holds a bachelor degree with Honors (earth and planetary sciences) from McGill University. His work in both exploration and the capital markets in Quebec and internationally has proved to be a tremendous asset to the company in addition to his involvement in feasibility level studies. Mr. Mugerman's work with rare earths for the last 8 years, combined with his technical and practical expertise provide solid direction for GéoMégA.

*"Kiril Mugerman is well-qualified to take GéoMégA forward with the support and total commitment of the board. Kiril's deep knowledge of GéoMégA and his years of experience in capital markets and mining field make him an ideal choice for this role. He will be a tremendous asset to our leadership team and the promotion of Kiril to this key position is representative of the great bench strength we are developing within our company"* says Patrick Godin, Chairman of the Board.

*"I am very enthusiastic to take on this opportunity to lead the company forward. GéoMégA has a solid three pronged corporate strategy moving forward, starting with an exciting rare earths project. Our shareholders and investors only stand to benefit significantly from any success arising from the development of our proprietary separation technology, as well as our grass roots gold exploration portfolio which shows a lot of potential. Most importantly, GéoMégA has a very strong and motivated team that allows it to actively pursue its corporate strategy. The dedication and commitment of our employees has always been a driving force at GéoMégA. I would also like to thank Derek Lindsay for lending his experience and expertise in leading GéoMégA during this transition phase over the last weeks."* comments Kiril Mugerman, CEO and President of GéoMégA.

In addition, Mr. Mugerman was granted 300,000 stock options at a price of \$0.085 per share for a period of five years in accordance with the terms of the stock option plan of the Company.

As well, the company announces the resignation of Mr. Simon Britt as a Director of the Company. Mr. Britt has been a Director of GéoMégA since 2010.
