

Vancouver, BC / TheNewswire / September 14, 2015 - Durango Resources Inc. (the "Company" or "Durango") is pleased to announce the appointment of Dr. Di Benedetto to the advisory board of the Company.

Dr. Di Benedetto brings extensive experience in liaising with large production gas and oil companies in Europe and mining and investment companies based in Japan and China. Dr. Di Benedetto is currently a board member of a mining exploration company exploiting chromite and copper deposits in Albania.

Previous to these appointments, Dr. Di Benedetto was a Project manager at the SALP SPA remote location pipeline manufacturing facility and pipeline construction project located in north east of Italy. Dr. Di Benedetto oversaw as Project Manager of Temporary business association between Salp spa and PPS GmbH in the completion of the new Busso - Paliano pipeline construction project completed for Sgi Societa gasdotti Italia SpA, <http://www.gasdottitalia.it/it>. SALP SPA manufactures pipeline for oil and gas industries and constructs the pipelines under contract in Italy, throughout Europe, the Middle East, Africa and the Arabian Peninsula. A video of SALP SpA pipeline construction expertise is viewable at <https://vimeo.com/30722051>. Additional information on the SALP SpA pipeline construction division can be viewed at <http://www.salpspa.eu/settori/pipelines.html#>.

Marcy Kiesman, CEO, states, "Dr. Di Benedetto brings experience in large scale mining of materials and large scale pipeline construction projects to the board. Durango is pleased to welcome such a valuable asset to the advisory team and looks forward to the positive influence he will bring to the Smith Island and Mayner's Fortune limestone projects."
