14.09.2015 | [Marketwired](#)

TORONTO, September 14, 2015 - [Metals Creek Resources Corp.](#) (the "Company") (TSX VENTURE:MEK) is pleased to announce that, further to a new release dated August 13, 2015, it has closed the first tranche of its previously announced non-brokered private placement (the "Placement") for gross proceeds of \$200,000, consisting of 1,500,000 flow-through units at a price of \$0.10 per unit for gross proceeds of \$150,000 and 625,000 non flow-through units at a price of \$0.08 per unit for gross proceeds of \$50,000. The Placement is subject to the final acceptance of the TSX Venture Exchange.

Each flow-through unit under the Placement consists of one flow-through common share and one half warrant. Each full warrant will entitle the holder to purchase one additional non flow-through common share of the Company at an exercise price of \$0.15 during the 24 months from the closing date.

Each non flow-through unit under the Placement consists of one non flow-through common share and one whole warrant. Each warrant will entitle the holder to purchase one additional non flow-through common share of the Company at an exercise price of \$0.15 during the 24 months from the closing date.

All securities issued in the Placement are subject to a four month hold period. In connection with the Placement, the Company issued 140,000 finders warrant having the same terms as the warrants issued under the Placement and paid finders fees and other commission equal to \$23,675.

The proceeds of the Placement will be used for exploration on the Ogden Gold Project located in Timmins Ontario, Canada, and to provide general working capital for the Company
