VANCOUVER, BC--(Marketwired - September 17, 2015) - First Point Minerals Corp. (TSX: FPX) ("First Point" or the "Company") is pleased to announce that Monday, November 16, 2015 has been set as the date for the Special Meeting of Shareholders (the "Meeting") to approve the previously announced binding agreement with affiliated companies of Cliffs Natural Resources Inc. (NYSE: CLF) ("Cliffs") to purchase Cliffs' 60% ownership of the Company's flagship Decar nickel project ("Decar" or the "Project"), for an acquisition price of US$4.75 million ("the Transaction" -- see News Release dated September 8, 2015 filed under the Company's profile on the SEDAR website).

The Transaction constitutes a "related party transaction" in the context of Multilateral Instrument 61-101, *Protection of Minority Security Holders in Special Transactions,* ("MI 61-101") because Cliffs holds more than 10% of the voting securities of First Point. Approval of the Transaction by the Company's minority shareholders and acceptance of the Transaction by the Toronto Stock Exchange will result in First Point owning 100% of the Project, which comprises 60 claims covering approximately 24,500 hectares located in the Omineca Mining Division, northwest of the town of Fort St. James, in central British Columbia.

The Record Date for persons entitled to vote at the Special Meeting will be Friday, October 9, 2015.

The Special Meeting will be held at 2:00 p.m. on November 16th in the Boardroom of Computershare Investor Services, located at 510 Burrard Street, 3rd Floor, Vancouver, British Columbia V6C 3B9. It is expected that the Special Meeting materials will be mailed to the registered shareholders and to financial intermediaries holding shares beneficially for Non-Objecting Beneficial Owners on October 20, 2015.

Shareholders who have not received their Special Meeting materials by November 2nd should contact Cecilia NuÃ±ez at (604) 681-8600 or email a request to info@firstpointminerals.com for assistance.

About First Point
