

Vancouver, BC / TheNewswire / September 29, 2015 - [Dajin Resources Corp.](#) ("Dajin") (TSX-V: DJI) (OTC: DJIFF) (Frankfurt: A1XF20) is pleased to announce that J. Malcolm Bell, has been appointed to Dajin's Advisory Board

Mr. J. Malcolm Bell has over 35 years of industry experience either as principal, senior officer or director of both private and public companies. In 1980, he founded Hi-Tec Resource Management Ltd., a minerals exploration company providing geological consulting services in Western Canada, the Yukon and the North West Territories. In 1986, he founded the International Investment and Business Opportunities Exposition, the first trade show company in Vancouver that provided private public companies the opportunity to showcase themselves to an international audience.

In 1997, he co-founded British Canadian Mines Ltd., the largest privately held mineral exploration company in Newfoundland, and subsequently completed a \$13-million reverse merger into publicly traded Canaco Resources Ltd. In 2002, he helped negotiate a \$20-million merger between Olympic Resources and Whittier Energy Corp., and in 2003, he co-founded PB Energy Partners, an oil and gas exploration partnership. Currently, Mr. Bell is the managing director of Malcolm Bell & Associates Ltd., a private Vancouver, B.C., company that arranges and sources capital for private and public companies engaged in mining, renewable energy and technology ventures.

About Dajin: [www.dajin.ca](http://www.dajin.ca)

Dajin is an early stage energy metals exploration company holding a 100% interest in 150 placer claims known to contain lithium and boron values in the Teels Marsh region of Mineral County, Nevada. These claims, which cover 3,010 acres (1,218 hectares), was the birth place of US Borax Corp's first borax mine. Dajin also hold a 100% interest in claims covering 3,851 acres (1,558 hectares) in Alkali Lake region of Esmeralda County, Nevada, 12 kilometers (7 miles) northeast of Rockwood's Clayton Valley Lithium operations.

Dajin also holds a 100% interest in concessions or concession applications in Jujuy Province, Argentina that were acquired in regions known to contain brines with potassium, lithium and boron values. These concessions total approximately 100,000 hectares (247,000 acres) with 80,248 hectares (198,000 acres) located in the Salinas Grandes/Guayatayoc salt lakes basin adjacent to concessions held by [Orocobre Ltd.](#) (ORL-T: TSX), who is partnered with Toyota Tsusho. Dajin recently completed an agreement with the Tres Morres community for exploration of the 4,400 hectare (10,873 acres) San Jose and Navidad concessions within the Salinas Grandes salar.
