Trinidad is a corporation focused on sustainable growth that trades on the Toronto Stock Exchange under the symbol TDG. Trinidad operates in the drilling and barge-drilling sectors of the North American oil and natural gas industry with operations in Canada and the United States. In addition, through a joint venture, Trinidad has the opportunity to operate drilling rigs in other international markets such as Europe and Mexico. Trinidad is focused on providing modern, reliable, expertly designed equipment operated by well-trained and experienced personnel. Trinidad's drilling fleet is one of the most adaptable, technologically advanced and competitive in the industry.

This news release shall not constitute an offer to sell or the solicitation of an offer to buy the shares in any jurisdiction. The shares of Trinidad Drilling Ltd. have not been registered under the United States Securities Act of 1933 and may not be offered or sold in the United States to any person, absent registration, or an applicable exemption therefrom.
