

TORONTO, ON--(Marketwired - October 13, 2015) - [Noront Resources Ltd.](#) ("Noront") (TSX VENTURE: NOT) announces that payment of interest in the amount of \$476,481, for the third quarter of 2015 pursuant to a loan agreement entered into between Noront and Resource Capital Funds V L.P. ("RCF") dated February 26, 2013 (the "Loan Agreement") and the bridge loan facility entered into between Noront and RCF dated June 3, 2015, (the "Facility") has been satisfied by delivery of 1,387,135 common shares of the Company (the "Interest Shares") at an effective price of \$0.3435 per Interest Share. The Interest Shares were delivered on October 13, 2015 subject to a four month hold period, expiring on February 14, 2016.

The calculation of the number of Interest Shares issued was based on the volume weighted average trading price of the common shares of the Company during the 20 trading days prior to September 30, 2015.

After giving effect to the issuance of the Interest Shares there are 248,480,187 common shares of the Company issued and outstanding.

About Noront Resources

[Noront Resources Ltd.](#) is focused on the development of its high-grade Eagle's Nest nickel, copper, platinum and palladium deposit and the world class chromite deposits including Blackbird, Black Thor, and Big Daddy, all of which are located in the James Bay Lowlands of Ontario in an emerging metals camp known as the Ring of Fire. #### CAUTIONARY NOTE REGARDING FORWARD-LOOKING INFORMATION

*This press release includes certain "forward-looking information" within the meaning of applicable Canadian securities legislation*

*Forward-looking information is based on reasonable assumptions that have been made by Noront as at the date of such information and is subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of Noront to be materially different from those expressed or implied by such forward-looking information, including but not limited to: the impact of general business and economic conditions; that all conditions precedent to the transactions will be met; risks related to government and environmental regulation, actual results of current exploration activities, conclusions of economic evaluations (including those contained in the Feasibility Study) and changes in project parameters as plans continue to be refined; problems inherent to the marketability of base and precious metals; industry conditions, including fluctuations in the price of base and precious metals, fluctuations in interest rates; government entities interpreting existing tax legislation or enacting new tax legislation in a way which adversely affects Noront; stock market volatility; competition; risk factors disclosed in Noront's most recent Management's Discussion and Analysis and Annual Information Form, available electronically on SEDAR; and such other factors described or referred to elsewhere herein, including unanticipated and/or unusual events. Many such factors are beyond Noront's ability to control or predict.*

*Although Noront has attempted to identify important factors that could cause actual results to differ materially, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that forward-looking information will prove to be accurate as actual results and future events could differ materially from those reliant on forward-looking information.*

*All of the forward-looking information given in this press release is qualified by these cautionary statements and readers are cautioned not to put undue reliance on forward-looking information due to its inherent uncertainty. Noront disclaims any intent or obligation to update any forward-looking information, whether as a result of new information, future events or results or otherwise, except as required by law. This forward-looking information should not be relied upon as representing the Company's views as of any date subsequent to the date of this press release.*
