

TSX-V: JAG

TORONTO, Oct. 14, 2015 /CNW/ - [Jaguar Mining Inc.](#) ("Jaguar" or the "Corporation") (TSX-V: JAG) announced today that, further to its press releases dated September 14, 2015, September 18, 2015 and September 24, 2015 announcing the proposed non-brokered private placement (the "Offering") of 12% convertible senior secured debentures ("Debentures"), the Corporation understands that a subscriber under the Offering (the "Proposed Subscriber") intends to subscribe for \$7,500,000 principal amount of Debentures, which could cause such Proposed Subscriber to become a new "control person" of the Corporation within the meaning of the Corporate Finance Manual of the TSX Venture Exchange (the "TSXV") upon a conversion of such Debentures.

As a result, pursuant to the policies of the TSXV, the Offering is subject to the approval by shareholders of the Corporation holding more than 50% of the outstanding common shares of the Corporation ("Common Shares") excluding the votes attaching to the Common Shares held by the Proposed Subscriber and its associates and affiliates (the "Shareholder Approval"). Certain shareholders of the Corporation holding in the aggregate greater than 50% of the Common Shares (excluding the Common Shares held by the Proposed Subscriber) have indicated that they intend to support the Offering and vote in favour of the subscription of the Proposed Subscriber. The Corporation is therefore seeking to obtain the Shareholder Approval by way of written consent in accordance with the policies of the TSXV.

Assuming the completion of the Offering and the conversion into Common Shares of all of the Debentures purchased only by the Proposed Subscriber under the Offering, the Proposed Subscriber will hold in the aggregate 65,858,798 Common Shares, representing approximately 37.2% of the outstanding Common Shares.

In addition to the requirement that the Shareholder Approval be obtained, completion of the Offering is subject to a number of conditions, including the final acceptance of the TSXV, obtaining exemptive relief from the Ontario Securities Commission in respect of the minority approval requirements under Multilateral Instrument 61-101 and obtaining written consents from a majority of the disinterested minority shareholders in respect of the proposed subscription by Outrider Management, LLC, all as more particularly set out in the Corporation's press releases dated September 14, 2015, September 18, 2015 and September 24, 2015, the disclosure document dated September 24, 2015 and material change report dated September 24, 2015, all of which are available under the Corporation's issuer profile on SEDAR at www.sedar.com.

Closing of the Offering is expected to occur on or about October 23, 2015.

This news release shall not constitute an offer to sell or the solicitation of an offer to buy any securities in any jurisdiction.
