

VANCOUVER, BRITISH COLUMBIA--(Marketwired - Oct 20, 2015) - [Rackla Metals Inc.](#) (TSX VENTURE:RAK) is pleased to announce that it has completed its non-brokered private placement financing of 5.0 million units at \$0.05 per unit, for proceeds of \$250,000. Each unit consists of one common share and one warrant entitling the holder to purchase one additional common share of the Company at \$0.05 for two years from closing. The shares and warrants are subject to resale restrictions until February 20, 2016.

The proceeds of the placement will be used for general working capital purposes, including funding the Company's ongoing investigations towards identifying a prospective mineral property for acquisition and exploration.

#### About Rackla

Rackla Metals controls a portfolio of gold projects across Yukon Territory. As well, management is actively seeking prospective projects for possible acquisition.

#### ON BEHALF OF THE BOARD

Simon Ridgway, President and CEO

*Neither the TSX Venture Exchange nor the Investment Industry Regulatory Organization of Canada accepts responsibility for the adequacy or accuracy of this release.*

#### Forward-Looking Statements

*Certain statements contained in this news release constitute forward-looking statements within the meaning of Canadian securities legislation. All statements included herein, other than statements of historical fact, are forward-looking statements and include, without limitation, statements about the planned use of the private placement proceeds. Often, but not always, these forward looking statements can be identified by the use of words such as "estimate", "estimates", "estimated", "potential", "open", "future", "assumed", "projected", "used", "detailed", "has been", "gain", "upgraded", "offset", "limited", "contained", "reflecting", "containing", "remaining", "to be", "periodically", or statements that events, "could" or "should" occur or be achieved and similar expressions, including negative variations.*

*Forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to be materially different from any results, performance or achievements expressed or implied by forward-looking statements. Such uncertainties and factors include, among others, spending the private placement proceeds as planned; changes in general economic conditions and financial markets; the Company or any joint venture partner not having the financial ability to meet its exploration and development goals; risks associated with the results of exploration and development activities, estimation of mineral resources and the geology, grade and continuity of mineral deposits; unanticipated costs and expenses; and such other risks detailed from time to time in the Company's quarterly and annual filings with securities regulators and available under the Company's profile on SEDAR at [www.sedar.com](http://www.sedar.com). Although the Company has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking statements, there may be other factors that cause actions, events or results to differ from those anticipated, estimated or intended.*

*Forward-looking statements contained herein are based on the assumptions, beliefs, expectations and opinions of management, including but not limited to: expectations that the private placement proceeds will be spent as planned; that the Company's stated goals and planned exploration and development activities will be achieved; that there will be no material adverse change affecting the Company or its properties; and such other assumptions as set out herein. Forward-looking statements are made as of the date hereof and the Company disclaims any obligation to update any forward-looking statements, whether as a result of new information, future events or results or otherwise, except as required by law. There can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, investors should not place undue reliance on forward-looking statements.*
