

Vancouver, BC / TheNewswire / October 20 2015 - [Endurance Gold Corp.](#) (EDG - TSX.V, "Endurance" or the "Company"), at the request of IIROC, wishes to confirm that its management is not aware of any corporate development or undisclosed material change to the Company or its operations that would account for the recent increase in market activity.

Endurance successfully closed the sale of the Rattlesnake Hills Gold Property in Wyoming, which was announced on October 13, 2015, effectively trading a 100% direct property interest in a portion of the Rattlesnake Alkaline Gold District for an equity exposure to the entire district. Endurance also continues to evaluate opportunities to acquire new exploration assets.

About Endurance

[Endurance Gold Corp.](#) is a company focused on the acquisition, exploration and development of highly prospective North American mineral properties with the potential to develop world-class deposits. The Company's exploration focus, for projects operated by Endurance, is intrusive-related mineral systems with potential for discovery of major new precious or rare metals deposits, and its business plan offers shareholders exposure to several majority-owned exploration projects with significant discovery potential such as the Elephant Gold Property in Alaska and the Bandito Rare Earth-Niobium Property in the Yukon.
