

Brisbane, Australia (ABN Newswire) - The 2014/15 year saw [Altura Mining Ltd.](#) (ASX:AJM) invest in its world class Pilgangoora lithium project as demand for lithium internationally continues to grow, including conducting a very successful capital raising to allow feasibility work to continue on the project.

In addition:

- divest its stake in the Mt Webber Joint Venture to managing partner [Atlas Iron Ltd.](#) as iron ore prices fell to the lowest prices seen in recent times
- maximise Altura's coal interests by aiming to list those assets on the Singapore Stock Exchange (SGX-ST Catalist)
- agree to sell 90% of its right, title and interest to gold miner, ABM Resources, in four (4) tenements located in the Tanami region of the Northern Territory
- grow Altura Mining Philippines Inc with the grant of two new Coal Operating Contracts (COC).
