

Harmony invites investors to attend interactive virtual investor conference

NEW YORK, Nov. 12, 2015 /CNW/ -- Harmony Gold Mining Company Limited (Harmony) (JSE: HAR; NYSE: HMY), based in South Africa, today announced that Chief Executive Officer, Graham Briggs, will present at the dbVIC - Deutsche Bank American Depositary Receipt (ADR) Virtual Investor Conference. This virtual investor conference is aimed exclusively at introducing global companies with ADR programs to US investors.

DATE:	November 19, 2015
TIME:	8:30 a.m. ET
LINK:	www.adr.db.com/dbvic

This will be a live, interactive online event where investors in the US are invited to ask international companies their questions in real-time and to download a company's information in their "virtual trade booth" in the Exhibits section. If attendees are not able to join the event live on the day of the conference, an on-demand archive will be available for 90 days.

Participation is free of charge.

It is recommended that investors pre-register to save time and receive event updates.

About Harmony:

Harmony Gold Mining Company Limited (Harmony), a world-class gold mining and exploration company, has operations and assets in South Africa and Papua New Guinea. Harmony, which has more than 60 years' experience in the industry, is the third largest gold producer in South Africa. Our assets include 9 underground mines and 1 open pit operation and several surface sources in South Africa. Our assets in PNG – an open pit mine (Hidden Valley), as well as the significant Golpu project – are held in a joint venture. We also own several exploration tenements in Papua New Guinea.

The company's primary stock exchange listing is on the JSE (Ticker: HAR) with a secondary listing on the New York Stock Exchange (Ticker: HMY). The bulk of its shareholders are in South Africa and the United States. Additional information on the company is available on the corporate website, www.harmony.co.za.
