

Vancouver, Canada / TheNewswire / November 16, 2015: [Diamond Fields International Ltd.](#) (TSX-V: DFI) is pleased to announce that offshore marine diamond sampling operations have begun on its Namibian concession ML-111. The operations mark the beginning of Phase II of the Company's engagement with International Mining and Dredging Holdings Limited ("IMDH"), being the holding entity of the IMDH Group (see DFI press release dated June 5, 2015).

The sampling vessel The Explorer has been mobilized and is currently executing reconnaissance sampling of targets identified from analysed data that was collected during a geophysical survey carried out by the survey vessel DP Star early in June 2015 as part of Phase I.
