[Ascot Resources Ltd.](#) (the "Company") (TSX VENTURE:AOT) is pleased to announce that further to the Company's press release of November 24, 2015, the non-brokered private placement offering (the "Offering") has been increased to a maximum of 10 million units (the "Units") at a price of \$1.00 per Unit for maximum gross proceeds of up to \$10.0 million (the "Maximum Offering") and the minimum number of Units being offered is 5,000,000 Units for minimum gross proceeds of \$5.0 million. Each Unit will consist of one common share and one non-transferable, common share purchase warrant. Each whole warrant will be exercisable for an additional common share for a period of eighteen months from the closing of the Offering at an exercise price of \$1.05 per share. The securities issued pursuant to the Offering will be subject to statutory hold periods expiring four months and one day from the date of issuance of such securities, and such other restrictions as are required by applicable securities laws.

In connection with the Offering, the Company will pay, subject to TSX Venture Exchange approval, a cash fee of 7.0% of the gross proceeds raised by finders and issue non-transferable warrants ("Finder's Warrants") equal to 7.0% of the Units sold pursuant to the efforts of finders. The Finder's Warrants will be exercisable at \$1.05 per Finder's Warrant into common shares of the Company for a period of eighteen months from the closing of the Offering.

A portion, or all of, the Offering may be completed pursuant to BC Instrument 45-534 - *Exemption from prospectus requirement for certain trades to existing security holders* ("BCI 45-534") and in accordance with the provisions of various corresponding blanket orders and rules of other Canadian jurisdictions that have adopted the same or a similar exemption from prospectus requirement (collectively with BCI 45-534, the "Existing Security Holder Exemption"). Subject to applicable securities laws, the Company will permit each person or company who holds common shares as of November 27, 2015 (the "Record Date") to subscribe for the Units that will be distributed pursuant to the Offering, provided that the Existing Security Holder Exemption is available to such purchaser. In addition to conducting the Offering pursuant to the Existing Security Holder Exemption, the Company will also accept subscriptions for Units where other prospectus exemptions are available.

Subject to certain limitations discussed below, the Offering is open to all existing shareholders of the Company until Friday, December 4, 2015. Any existing shareholders of the Company interested in participating in the Offering should contact the Company at [Ascot Resources Ltd.](#), #202, 15388-24th Avenue, Surrey, BC, V4A 2J2, Canada, Attention: Robert A. Evans, Tel: (604) 379-1170, email: bobevans55@gmail.com, no later than Friday, December 4, 2015 so that subscription materials can be provided for completion and return to the Company no later than Friday, December 11, 2015.

Subscribers purchasing Units under the Existing Security Holder Exemption will need to represent in writing that they meet certain requirements of the Existing Security Holder Exemption, including that they were, on or before the Record Date, a shareholder of the Company (and still are a shareholder of the Company). The aggregate acquisition cost to a subscriber under the Existing Security Holder Exemption cannot exceed CDN\$15,000 unless that subscriber has obtained advice regarding the suitability of the investment and, if the subscriber is resident in a jurisdiction of Canada, such advice is obtained from a person that is registered as an investment dealer in the subscriber's jurisdiction. Unless the Company determines to increase the gross proceeds of the Offering and receives TSX Venture Exchange approval for such increase, if subscriptions received for the Offering exceed the Maximum Offering, the Units, up to the Maximum Offering, will be allocated pro rata amongst all subscribers that qualify under the Existing Security Holder Exemption in accordance with such subscriber's percentage holdings in the Company's issued and outstanding common shares.

The proceeds from the Offering together with funds on hand will be used to make the December 30, 2015 option payment on the Company's Premier / Dilworth property and the balance, if any, will be used for working capital. Completion of the Offering is subject to certain conditions including, but not limited to, the receipt of all necessary regulatory approvals including the approval of the TSX Venture Exchange.

The Company does not expect to provide any offering materials to subscribers in connection with the Offering. For more information concerning the Company, please refer to the Company's profile on the SEDAR website at www.sedar.com.
