[Millrock Resources Inc.](#) (TSX VENTURE:MRO) ("Millrock" or the "Company") reports it has increased the non-brokered private placement announced on November 20, 2015. The financing will now consist of up to 8,125,000 units (the "Units") at a price of \$0.16 per Unit, for gross proceeds of up to \$1,300,000. Each Unit shall consist of one common share of Millrock and one share purchase warrant (the "Warrants"). Each Warrant will entitle the holder thereof to purchase one additional common share at a price of \$0.22 per common share until and including the date which is one year from the closing date, thereafter at a price of \$0.30 per common share until and including the date which is two years from the closing date and thereafter at a price of \$0.40 per common share until and including the date which is four years from the closing date. Millrock expects to pay finder's fees in connection with this financing. The securities issued under this financing will be subject to a hold period of four months from the closing date.

Proceeds from the financing will be used for a series of specific property acquisitions and for general corporate purposes. The financing is subject to approval of the TSX Venture Exchange.

About Millrock Resources Inc.

[Millrock Resources Inc.](#) is a premier project generator to the mining industry. In the search for world-class metallic mineral deposits in mineral-rich Alaska, southwest USA, and Mexico, Millrock identifies, packages and operates large-scale projects for joint venture, thereby exposing its shareholders to the benefits of mineral discovery without the usual financial risk taken on by most exploration companies. Millrock currently has numerous active exploration projects in Alaska, New Mexico and Mexico. Funding for drilling at Millrock's exploration projects primarily comes from its joint venture partners. Business partners of Millrock have included some of the leading names in the mining industry: First Quantum, Teck, Kinross, Vale, Inmet and Altius.
