

Carlisle Goldfields Limited Reminds Its Shareholders to Vote for the Acquisition by Alamos Gold Inc.

11.12.2015 | [Marketwired](#)

TORONTO, ON -- (Marketwired - December 11, 2015) - [Carlisle Goldfields Ltd.](#) (TSX: CGJ) (OTCQX: CGJCF) ("Carlisle" or the "Company") reminds its shareholders to vote FOR the special resolution to approve the previously announced Plan of Arrangement (the "Arrangement") involving [Alamos Gold Inc.](#) ("Alamos").

It is proposed that Alamos will acquire each outstanding Carlisle common share ("Common Share") that it does not already own for 0.0942 of an Alamos common share and 0.0942 of an Alamos common share purchase warrant, each whole warrant exercisable at \$10.00 per Alamos common share for three years from the completion of the Arrangement. As Carlisle announced by press release on October 15, 2015, this transaction has been unanimously approved by Carlisle's board of directors (the "Board") and the Board has recommended that Carlisle's shareholders vote in favour of the Arrangement.

Carlisle shareholders as of the record date of November 12, 2015 have the right to vote online by proxy until December 14, 2015 or in person at a Special Meeting of Carlisle shareholders (the "Meeting") to be held on December 16, 2015 at 10:00 a.m. (Toronto time) at the offices of Dickinson Wright LLP, located at 199 Bay Street, Suite 2200, Toronto, Ontario M5L 1G4.

Shareholders should now have received, and are urged to carefully review, the Management Proxy Circular (the "Circular") and accompanying proxy voting materials as they contain important information regarding the Arrangement and its benefits to shareholders. Assuming a successful shareholder vote and satisfaction of the other conditions required for completion of the Arrangement, closing is expected to occur on or about January 7, 2016.

Shareholders who have any questions about the information contained in the Circular or require assistance with voting should contact the Company's Proxy Solicitation Agent, Laurel Hill Advisory Group, toll-free at 1-877-452-7184 (416-304-0211 collect) or send an email to assistance@laurelhill.com.

About Carlisle

Carlisle is a gold exploration and development company focused, together with its joint venture partner Alamos, on evaluation of the Lynn Lake Gold Camp in Lynn Lake, Manitoba, Canada. Carlisle previously completed NI 43-101 compliant mineral resource estimates on five (5) deposits within its Lynn Lake Gold Camp, four of which form the basis for the February, 2014 (www.sedar.com) Preliminary Economic Assessment (PEA) technical report (Farley Lake Mine Deposit, MacLellan Mine Deposit, Burnt Timber Mine Deposit, and Linkwood Deposit). A second PEA technical report filed in April, 2014 focused on an open pit mining and processing model for the historical Farley Lake Mine and MacLellan Mine deposits only.
