

Trading to Commence on December 22, 2015 Under New Name: Organto Foods Inc.

22.12.2015 | [Marketwired](#)

VANCOUVER, Dec. 21, 2015 - Organto Foods Inc. (TSX VENTURE:OGO) (formerly [Columbus Exploration Corp.](#) (TSX VENTURE:CLX)) is pleased to announce that its shares will commence trading on the TSX Venture Exchange under the stock symbol "OGO" (CUSIP 68621J104) on December 22, 2015.

About Organto

Organto is a leading international provider of fresh-cut, branded organic produce from company-owned organic farms and greenhouses principally located in Guatemala. Organto plans to expand its growing operations into other Latin American countries either through the buildout of new facilities or by acquisition. Organto will also consider the opportunity to vertically integrate its growing and packaging operations with direct ownership of distribution channels in its European and North American customer markets.

ON BEHALF OF THE BOARD,

Peter L. Gianulis
CEO and Director

Neither the TSX-V nor its Regulation Services Provider (as that term is defined in the policies of the TSX-V) accepts responsibility for the adequacy or accuracy of this release.

This release may include certain forward-looking information and statements, as defined by law including without limitation Canadian securities laws and the "safe harbor" provisions of the US Private Securities Litigation Reform Act of 1995 ("forward-looking statements"). In particular, and without limitation this news release may contain forward-looking statements respecting the business, goals and objectives of Organto Foods Inc.; the expected date for commencement of trading of the company's shares on the TSX Venture Exchange and expected trading symbol; future plans and prospects for the company and the business; and general business and economic conditions. Forward-looking statements are based on a number of assumptions that may prove to be incorrect, including without limitation assumptions about the following: that the shares will resume trading on the date specified; the timing and receipt of any required approvals; cost increases; changes in the business or prospects of the company; unforeseen circumstances; risks associated with the organic and conventional produce business; dependence on third parties for services; general business and economic conditions; and ongoing relations with employees, consultants, partners and joint venturers. The foregoing list is not exhaustive and we undertake no obligation to update any of the foregoing except as required by law.
