

VANCOUVER, BC / ACCESSWIRE / December 29, 2015 / [Wealth Minerals Ltd.](#) (TSXV: WML) (FSE: EJZ) (SSE: WMLCL) (the "Company" or "Wealth"), announces the closing today of a non-brokered private placement of flow-through common shares (the "Offering").

The Company sold 3,000,000 flow-through common shares ("Shares") at a price of \$0.18 per Share for aggregate gross proceeds of \$540,000. The Shares are all subject to a hold period in Canada expiring on April 29, 2016.

In connection with the Offering the Company paid cash finder's fees of \$43,200 to Secutor Capital Management Corp. ("Secutor") and issued 120,000 non-transferrable common share purchase finders warrants ("Warrants") to each of Secutor and Marquest Asset Management Inc. Each Warrant is exercisable to purchase one common share of the Company at a price of \$0.18 until April 29, 2017. The gross proceeds from the Offering are intended to be used to incur qualified expenditures on the Company's mineral projects in Quebec.

The Company is currently involved in the review and evaluation of a number of additional mineral projects for possible acquisition. However, no agreements with respect to the acquisition of any mineral projects have yet been entered into, and there can be no assurance that the Company will, in fact, be successful in entering into any such agreements or acquiring interests in any additional mineral properties.

The foregoing securities have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the "1933 Act") or any applicable state securities laws and may not be offered or sold in the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S under the 1933 Act) or persons in the United States absent registration or an applicable exemption from such registration requirements. This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the foregoing securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.

#### ABOUT WEALTH MINERALS LTD.

Wealth is an early stage mineral exploration company with listings on the TSX Venture, Santiago and Frankfurt Stock Exchanges. Wealth's strategy is to acquire projects in stable geopolitical project locations, with low exploration risk, attractive grade, and potentially low capital requirements. While Wealth is not a development company, management insist on reasonable potential for near-term production. The Company intends to negotiate partnerships that will open up potential project development routes.

#### Cautionary Note Regarding Forward-Looking Statements

This press release contains forward-looking statements and forward-looking information (collectively, "forward looking statements") within the meaning of applicable Canadian and US securities legislation. All statements, other than statements of historical fact, included herein including, without limitation, statements regarding the anticipated content, commencement and

cost of exploration programs, anticipated exploration program results, the discovery and delineation of mineral deposits/resources/reserves, the anticipated use of the net proceeds of the private placement, the timing of future activities by the Company, the potential acquisition of additional mineral properties by the Company and the anticipated business plans of the Company, are forward-looking statements. Although the Company believes that such statements are reasonable, it can give no assurance that such expectations will prove to be correct. Forward-looking statements are typically identified by words such as: believe, expect, anticipate, intend, estimate, postulate and similar expressions, or are those, which, by their nature, refer to future events. The Company cautions investors that any forward-looking statements by the Company or any of its joint venture partners are not guarantees of future results or performance, and that actual results may differ materially from those in forward looking statements as a result of various factors, including, but not limited to, the state of the financial markets for the Company's equity securities, the state of the commodity markets generally, variations in the nature, quality and quantity of any mineral deposits that may be located, variations in the market price of any mineral products the Company may produce or plan to produce, the inability of the Company to obtain any necessary permits, consents or authorizations required for its or their activities, the inability of the Company to produce minerals from its properties successfully or profitably, to continue its projected growth, to raise the necessary capital or to be fully able to implement its business strategies, and other risks and uncertainties disclosed in the Company's latest interim Management Discussion and Analysis and filed with certain securities commissions in Canada. All of the Company's Canadian public disclosure filings may be accessed via [www.sedar.com](http://www.sedar.com) and readers are urged to review these materials, including the technical reports filed with respect to the Company's mineral properties.

This press release is not, and is not to be construed in any way as, an offer to buy or sell securities in the United States.
