

Sulliden strengthens management team with the appointment of Paul Pint as President

05.01.2016 | [CNW](#)

TORONTO, Jan. 5, 2016 - [Sulliden Mining Capital Inc.](#) ("Sulliden" or the "Company") (TSX: SMC) is pleased to announce the appointment of Mr. Paul Pint as President of the Company, effective immediately. Mr. Pint will work alongside Justin Reid, who will continue to serve as Sulliden's CEO and Director.

Paul Pint, CPA, CA, is a capital markets professional with over 20 years of experience. Mr. Pint began his capital markets career on the institutional equity team at a large Canadian financial institution. Over his career, he has held a number of senior positions at various financial institutions and boutique investment banks in Canada. Mr. Pint is a Chartered Professional Accountant and holds a Bachelor of Commerce degree from the University of Toronto.

Justin Reid, CEO and Director of Sulliden, commented, "I am pleased to welcome Paul to the Sulliden team. His industry experience, breadth of global relationships and investment expertise will be a great asset to the Company as we continue to evaluate potential acquisition and investment opportunities in the mining space and across industries. Paul and I have previously worked as partners and he has been a long-term capital supporter of our team, which will make for an easy and focused transition. We look forward to updating the market shortly as we continue to assess all opportunities."

About Sulliden Mining Capital

Sulliden is a venture capital company focused on investments, acquisitions and the development of brownfield, development-stage and early production-stage mining projects in the Americas.

Sulliden was formed as a result of the sale of [Sulliden Gold Corporation Ltd.](#) to Rio Alto Mining on August 5, 2014. Rio Alto Mining has since been acquired by Tahoe Resources.

On behalf of the Board, Sulliden Mining Capital Inc.

"Justin Reid"
Chief Executive Officer

Caution regarding forward-looking information: This press release contains "forward looking information" within the meaning of applicable Canadian securities legislation. Generally, forward looking information can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved". Forward-looking information is subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such forward-looking information, including but not limited to: general business, economic, competitive, geopolitical and social uncertainties; the actual results of current exploration activities; other risks of the mining industry and the risks described in the public disclosure documents of the Company. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward looking information. The Company does not undertake to update any forward-looking information, except in accordance with applicable securities laws.
