

CALGARY, Jan. 20, 2016 /CNW/ - [Madalena Energy Inc.](#) (TSX-V: MVN and OTCQX: MDLNF) (the "Company" or "Madalena") announces that Kevin Shaw, Madalena's President and CEO, will be a keynote speaker at the Instituto Argentino de Petroleo y Gas ("IAPG") luncheon to be held at the Double Tree Houston Greenway Plaza Hotel at 11:30 AM (CST) on Thursday, January 21, 2016.

Madalena has posted a new corporate presentation for investors and interested parties on its website at www.madalenaenergy.com. This new presentation provides an overview of Madalena's Argentina acreage positions including updates related to the Company's Strategic Unconventional Assets in the Vaca Muerta shale (oil & gas), Lower Agrio shale (oil), Loma Montosa resource play (light oil) and the Mulichinco tight sand play (liquids-rich gas).

About Madalena Energy

Madalena is an independent, Canadian-based Argentina focused, upstream oil and gas company.

Madalena holds approximately 950,000 net acres across 12 blocks and concessions in Argentina where it is focused on the delineation of large shale and unconventional resources in the Vaca Muerta shale, Lower Agrio shale, Loma Montosa oil play and the Mulichinco liquids-rich gas play. The Company is implementing horizontal drilling and completions technology to develop both its conventional and scalable resource plays.

Madalena trades on the TSX Venture Exchange under the symbol MVN and on the OTCQX under the symbol MDLNF.
