

CALGARY, ALBERTA--(Marketwired - Feb. 25, 2016) - [Blackbird Energy Inc.](#) (TSX VENTURE:BBI) ("Blackbird" or the "Company") is very pleased to announce that it has acquired 5 mmcf/d of Firm Full Path Service on the Alliance Pipeline system to the Alliance Chicago Exchange Hub.

The capacity's term will begin on October 1, 2016 and run through until October 31, 2020 with renewal rights thereafter.

Garth Braun, Chairman, CEO and President commented, "the acquisition of firm transportation capacity in the Alliance Pipeline system for our sales gas allows Blackbird to now proceed with finalizing a firm sour gas processing agreement in addition to proceeding with our infrastructure buildout."

Advisories and Forward Looking Information

This news release contains forward-looking statements or information (collectively referred to herein as "forward-looking statements"). Such statements are subject to risks and uncertainties that may cause actual results, performance or developments to differ materially from those contained in the statements and are not guarantees of future performance of the Company. Such statements include, but are not limited to, the potential to obtain additional capacity, the ability to obtain a firm processing agreement and the ability to successfully construct the required infrastructure. No assurance can be given that any of the events anticipated by the forward-looking statements will occur or, if they do occur, what benefits the Company will obtain from them. These forward-looking statements reflect management's current views and are based on certain expectations, estimates and assumptions which may prove to be incorrect. A number of risks and uncertainties could cause our actual results to differ materially from those expressed or implied by the forward-looking statements, including: (1) a downturn in general economic and business conditions in North America and internationally, (2) the inherent uncertainties and speculative nature associated with oil and gas exploration, development and production including drilling and completion risks, (3) the price of and demand for oil and gas and their effect on the economics of oil and gas exploration, (4) any number of events or causes which may delay or cease exploration and development of the Company's property interests, such as environmental liabilities, weather, mechanical failures, safety concerns and labour problems, (5) the risk that the Company does not execute its business plan, (6) inability to retain key employees, (7) inability to finance operations and growth, and (8) other factors beyond the Company's control. Should one or more of these risks or uncertainties materialize, or should any of the Company's assumptions prove incorrect, actual results may vary in material respects from those projected in the forward-looking statements. Readers are cautioned that the foregoing list of risks, uncertainties and other factors is not exhaustive. Unpredictable or unknown factors not discussed could also have material adverse effects on forward-looking statements. The impact of any one factor on a particular forward-looking statement is not determinable with certainty as such factors are dependent on other factors, and the Company's course of action would depend on its assessment of the future considering all information then available. All forward-looking statements in this news release are expressly qualified in their entirety by these cautionary statements. Except as required by law, the Company assumes no obligation to update forward-looking statements should circumstances or management's estimates or opinions change.

THE TSX VENTURE EXCHANGE INC. HAS NEITHER APPROVED NOR DISAPPROVED THE CONTENTS OF THIS NEWS RELEASE. NEITHER THE TSX VENTURE EXCHANGE NOR ITS REGULATION SERVICES PROVIDER (AS THAT TERM IS DEFINED IN THE POLICIES OF THE TSX VENTURE EXCHANGE) ACCEPTS RESPONSIBILITY FOR THE ADEQUACY OR ACCURACY OF THIS NEWS RELEASE.
