

Vancouver, British Columbia (FSCwire) - [Alix Resources Corp.](#) (AIX-TSX:V) (37N;FRANKFURT) is pleased to announce the appointment of Mr. Christopher Ecclestone to its advisory board.

Christopher Ecclestone is a mining strategist (and Principal) at Hallgarten & Company in London as well as Senior European Editor at InvestorIntel out of Toronto. He is well known for his coverage of specialty metals' situations and commentary upon the mining sector.

Prior to founding Hallgarten & Company in New York in 2003 he was the head of research at an economic thinktank in New Jersey which he had joined in 2001. Before moving to the U.S., he was the founder and head of research at the esteemed Argentine Equity research firm, Buenos Aires Trust Company, from 1991 until 2001. He worked in London from 1985-1991 as a corporate finance and equities analyst and as a freelance consultant on the restructuring of the securities industry. He is a graduate of the Royal Melbourne Institute of Technology.

"I am very pleased to have the opportunity to help guide Alix's growth strategy," stated Mr. Ecclestone. "I have connections with Mexico going back to the 1990s and find the country one of the best places to engage in business. In particular the Electra project is exciting as it gives a chance to try and exceed what has already been achieved at the neighbouring Sonora project. The JV with Lithium Australia, another company with which I am acquainted brings a unique skillset in lithium mica clays."

President and CEO Michael England commented, "We are very pleased to appoint Mr. Ecclestone to our growing Alix team. His knowledge and connections in the lithium sector as well as his corporate finance experience will be invaluable as Alix grows its business."

Alix Resources is a junior mining exploration company focussed on seeking and acquiring world class lithium projects globally. The Electra lithium project located in Sonora, Mexico which adjoins, and is on trend with, the Sonora lithium project being developed by [Bacanora Minerals Ltd.](#) (TSXV:BCN) is the flagship property. Alix continues to evaluate suitable prospects that fit the mandate of the Company.

ON BEHALF OF THE BOARD
