March 16, 2016 / TheNewswire / Vancouver, British Columbia- Nevada Energy Metals Inc. "the Company" TSX-V:BFF (OTC: SSMLF) (Frankfurt: A2AFBV) is pleased to announce that it is implementing an online marketing and awareness program through AGORACOM.

The Company will receive significant exposure through millions of content brand insertions on the AGORACOM network and extensive search engine marketing over the next 12 months. In addition, exclusive sponsorships of invaluable digital properties such as AGORACOM TV, the AGORACOM home page and the AGORACOM Twitter account will serve to significantly raise the brand awareness of the Company among small cap investors.

Harry Barr Chairman & CEO stated, "I previously have had the pleasure of working with the AGORACOM team and they have proven to be a leader in their space. We are delighted to have retained their services to expand our online presence."

Shares for Services Program

The Company intends to issue shares for services to AGORACOM in exchange for the online advertising, marketing and branding services ("Advertising Services"). Pursuant to the terms of the agreement, the company will be issuing;

- -$8,800 + HST in Shares for Advertising Services April 1, 2016

  -$8,800 + HST in Shares for Advertising Services at end of Third Month June 16, 2016

  -$8,800 + HST in Shares for Advertising Services at end of Sixth Month September 16, 2016

  -$8,800 + HST in Shares for Advertising Services at end of Ninth Month December 16, 2016

  -$8,800 + HST in Shares for Advertising Services at end of Twelfth Month March 16, 2017

The number of shares to be issued at the end of each period will be determined by using the closing price of the Shares of the Company on the TSX Venture Exchange on the first trading day following each period for which the Advertising Services were provided by AGORACOM.

The agreement/arrangement is subject to TSX-V approval.

The term of the Agreement is for 12 months effective immediately. The Company will issue a press release after the issuance of shares under the terms of the agreement.

About AGORACOM

AGORACOM is the pioneer of online investor relations, online conferences and online branding services to North American small and mid-cap public companies, with more than 250 companies served. More than just lip service, AGORACOM is the home of more than 808K investors that visited 5.6 million times and read 52.4 million pages of information every year (Average 2008 - 2015).

AGORACOM traffic ranks within the top 0.5% of all websites around the world. These traffic results are independently tracked and verified by Google analytics. AGORACOM traffic can be attributed to its strategy of maintaining the cleanest, moderated small-cap discussion as a result of implementing the first ever Investor Controlled Stock Discussion Forums.

AGORACOM Founder, George Tsiolis, publishes the leading blog on small to mid cap investor relations. His 50 Small-Cap CEO Lessons are a must read for CEO's looking to increase their education and knowledge about online investor relations.

About Nevada Energy Metals: http://nevadaenergymetals.com/

Nevada Energy Metals Inc. is a Canadian Based exploration and development company who's primary listing is on the TSX Venture Exchange. The company's main focuses are brine based lithium exploration targets located in the mining friendly state of Nevada. As of the 13th of January the company has completed a $900,000 CAD secondary funding to carry out an exploration program on the area known as Alkali Lake and Alkali Flats. This lithium target is located in Esmeralda County, Nevada, just 12km from Rockwood Lithium, the only brine based lithium producer in North America. Nevada Energy Metals must complete a one-time payment of shares, cash payments over three years and complete certain exploration milestones to earn its 60% interest. Nevada Energy Metals has acquired, by staking, 100 placer claims covering 200 acres (80.9 hectares) at Teels Marsh, Nevada. The property, called Teels Marsh West is a highly prospective Lithium exploration project, 100% owned without any royalties, located on the western part of a large evaporation pond.
