

TORONTO, ONTARIO--(Marketwired - Mar 28, 2016) - [MCW Energy Group Ltd.](#) ("MCW") (TSX VENTURE:MCW)(OTCQX:MCWEF), a Canadian holding company involved in the development of environmentally-friendly oil sands technologies and the production of oil from Utah's vast oil sands deposits, announces it has raised gross proceeds of US\$25,000 through the issuance of 278,064 common shares at a price of \$0.124 per share. All shares issued pursuant to the non-brokered private placement are subject to a four month hold period. The proceeds of the financing will be used for working capital. Including the issuance announced herein there are 106,890,803 common shares issued and outstanding.

In addition, MCW has entered into a shares for debt agreement, pursuant to which MCW will issue 226,821 common shares in satisfaction of US\$20,000 of indebtedness currently owed to an arm's length service provider. MCW determined to satisfy the indebtedness with common shares in order to preserve its cash for use on its extraction technology in Asphalt Ridge, Utah, and for working capital. The shares will be issued upon acceptance by the TSX Venture Exchange. The common shares issued in satisfaction of the indebtedness will be subject to a four month hold period from the date of issuance.

About MCW Energy Group Limited

[MCW Energy Group Ltd.](#) is focused on value creation via the development and implementation of (i) proprietary, environmentally-friendly oil sands extraction technologies and remedial tailings ponds project solutions, (ii) expanding production capacities of its now operational oil sands project in Asphalt Ridge, Utah, and (iii) the formulation of worldwide joint ventures and the licensing of oil sand opportunities with private and governmental resource entities within countries possessing extensive oil sands/shale deposits. MCW's management team is comprised of individuals who have extensive knowledge in both conventional and unconventional oil and gas projects and production, both in upstream and downstream industry sectors.

The information in this news release includes certain information and statements about management's view of future events, expectations, plans and prospects that constitute forward looking statements. These statements are based upon assumptions that are subject to significant risks and uncertainties. Because of these risks and uncertainties and as a result of a variety of factors, the actual results, expectations, achievements or performance may differ materially from those anticipated and indicated by these forward looking statements. Forward-looking statements in this news release, include, but are not limited to, final approval of the private placement by the TSX Venture Exchange, the approval of the shares for debt transaction by the TSX Venture Exchange, commercial viability of the technology and the extraction plant, economic performance and future plans and objectives of MCW, and the commercial production of oil from MCW's oil sands extraction plant in Asphalt Ridge, Utah. Any number of important factors could cause actual results to differ materially from these forward-looking statements as well as future results. Although MCW believes that the expectations reflected in forward looking statements are reasonable, they can give no assurances that the expectations of any forward looking statements will prove to be correct. Except as required by law, MCW disclaims any intention and assumes no obligation to update or revise any forward looking statements to reflect actual results, whether as a result of new information, future events, changes in assumptions, changes in factors affecting such forward looking statements or otherwise.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

The securities referred to in this news release have not been, nor will they be, registered under the United States Securities Act of 1933, as amended, and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons absent U.S. registration or an applicable exemption from the U.S. registration requirements. This news release does not constitute an offer for sale of securities for sale, nor a solicitation for offers to buy any securities. Any public offering of securities in the United States must be made by means of a prospectus containing detailed information about the company and management, as well as financial statements.
