

NOT FOR DISTRIBUTION TO U.S. NEWS WIRE SERVICES OR DISSEMINATION IN THE UNITED STATES.

[Semafo Inc.](#) (TSX:SMF)(OMX:SMF) (the "Company") has announced today that, due to strong demand, the Company has increased the size of its previously announced offering to 23,000,000 common shares (the "Common Shares"), at a price of \$4.35 per common share for aggregate gross proceeds to SEMAFO of approximately \$100 million (the "Offering"). The Company has entered into an agreement with a syndicate of underwriters co-led by BMO Capital Markets and Clarus Securities Inc. The Company has granted the Underwriters an option, exercisable at the offering price for a period of 30 days following the closing of the Offering, to purchase up to an additional 15% of the Offering to cover over-allotments, if any. The Offering is expected to close on or about April 22, 2016 and is subject to SEMAFO receiving all necessary regulatory approvals.

The net proceeds of the Offering will be used for exploration expenditures at Mana and Natougou, to further enhance the Company's financial flexibility with respect to the Natougou project as well as for working capital and general corporate purposes.

The Common Shares will be offered by way of a short form prospectus in the provinces of British Columbia, Alberta, Ontario, and Quebec and may also be offered by way of private placement in the United States.

The securities offered have not been registered under the U.S. Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements. This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.
