

April 06, 2016 / TheNewswire / Vancouver, BC- [Nevada Energy Metals Inc.](#) "the Company" TSX-V:BFF (OTC: SSMLF) (Frankfurt: A2AFBV) is pleased to announce the appointment of Mr. Jeremy Poirier to the Nevada Energy Metals Advisory Board.

Mr. Poirier has been providing a range of investor awareness and advisory services for both public and private companies since 2004. Over the past 12 years, Mr. Poirier has acquired extensive market experience and built a strong network of investors and industry contacts. He has also served as a member on a number of boards of directors and has held officer positions at several public and private companies. Through his network and market expertise Mr. Poirier has facilitated capital raising efforts as well as successful asset acquisition and corporate development undertakings.

Most recently, Mr. Poirier has reviewed various lithium assets around the world in his continuing role as a director of Pure Energy Minerals. We believe that Mr. Poirier's extensive experience in the junior lithium sector will aid Nevada Energy Metals.

About Nevada Energy Metals: <http://nevadaenergymetals.com/>

[Nevada Energy Metals Inc.](#) is a Canadian Based exploration and development company who's primary listing is on the TSX Venture Exchange. The Company's main focuses are brine based lithium exploration targets located in the mining friendly state of Nevada. As of January 13th the Company has completed a \$900,000 CAD secondary funding to carry out an exploration program in a 60% earn-in agreement with [Dajin Resources Corp.](#) at Alkali Lake. This Nevada lithium target is just 12km from Rockwood Lithium, the only brine based lithium producer in North America. Nevada Energy Metals has also acquired, by staking, 100 placer claims covering 2000 acres (809 hectares) at Teels Marsh, Nevada. The property, called Teels Marsh West is a highly prospective lithium exploration project, 100% owned without any royalties. On March 23 2016 the Company announced the addition of the San Emidio Dessert lithium property, a prospective lithium brine property to add to its project portfolio.
