

First Mining Finance Corp. Completes Acquisition of Clifton Star Resources Inc.

08.04.2016 | [Marketwired](#)

VANCOUVER, April 8, 2016 - [First Mining Finance Corp.](#) ("First Mining") (TSX VENTURE:FF) (OTCQB:FFMGF) and [Clifton Star Resources Inc.](#) ("Clifton Star") (TSX VENTURE:CFO) are pleased to announce the successful completion of the previously announced business combination, pursuant to which First Mining has acquired all of the issued and outstanding shares of Clifton Star by way of a court approved plan of arrangement (the "Arrangement").

Keith Neumeyer, Chairman of First Mining stated, "With the completion of this transaction, First Mining has now closed five acquisitions in just a year after becoming publicly traded. The acquisition of Clifton Star provides First Mining an entry point into the Abitibi Region of Québec and will be complementary to our recently announced acquisition of the Pitt Gold Property from [Brionor Resources Inc.](#) The addition of CDN\$11 million to our treasury as a result of this acquisition also substantially improves our balance sheet."

Under the terms of the Arrangement, each Clifton Star shareholder is entitled to receive one First Mining common share for each common share of Clifton Star. Unexercised Clifton Star stock options will now entitle the holder to acquire one First Mining common share for each Clifton Star common share previously provided for.

As part of the Arrangement, Michel Bouchard, President, Chief Executive Officer and Director of Clifton Star will join the board of directors of First Mining.

Registered shareholders of Clifton Star will receive common shares of First Mining to which they are entitled upon delivery to Computershare Investor Services Inc. ("Computershare") of their respective share certificates and completed letters of transmittal together with other required documents. Shareholders are encouraged to contact Computershare at 1-800-564-6253 or corporateactions@computershare.com for further information concerning the exchange process. The vast majority of shareholders of Clifton Star are non-registered shareholders. Non-registered shareholders do not need to deposit share certificates or letters of transmittal. The shares will be converted automatically.

The trading of Clifton Star's common shares on the TSX Venture Exchange is currently halted. Clifton Star's shares will be de-listed from the TSX Venture Exchange in the coming days and it is anticipated that First Mining will apply to cause Clifton Star to cease being a reporting issuer under applicable Canadian securities laws.

Cautionary Note Regarding Forward-Looking Statements

This press release includes certain "forward-looking information" and "forward-looking statements" (collectively "forward-looking statements") within the meaning of applicable Canadian and United States securities legislation including the United States Private Securities Litigation Reform Act of 1995. Forward-looking statements are frequently, but not always, identified by words such as "expects", "anticipates", "believes", "intends", "estimates", "potential", "possible", and similar expressions, or statements that events, conditions, or results "will", "may", "could", or "should" occur or be achieved. Forward looking statements in this press release relate to, among other things, future acquisitions by First Mining, including the acquisition of the Pitt Gold Property, delisting of Clifton Star shares and Clifton Star ceasing to be a reporting issuer. Actual future results may differ materially. There can be no assurance that such statements will prove to be accurate, and actual results and future events could differ materially from those anticipated in such statements. Forward-looking statements reflect the beliefs, opinions and projections on the date the statements are made and are based upon a number of assumptions and estimates that, while considered reasonable by the respective parties, are inherently subject to significant business, economic, competitive, political and social uncertainties and contingencies.

Many factors, both known and unknown, could cause actual results, performance or achievements to be materially different from the results, performance or achievements that are or may be expressed or implied by such forward-looking statements and the parties have made assumptions and estimates based on or related to many of these factors. Such factors include, without limitation: the risk that the conditions to completion of the acquisition of the Pitt Gold Property will not be satisfied, the risk that First Mining will not be able to complete other acquisitions and other risks set out in First Mining's management discussion and analysis for the year ended December 31, 2015. Readers should not place undue reliance on the forward-looking statements and information contained in this news release. First Mining assumes no obligation to update such forward-looking statements or information, should they change, except as required by law.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
