

Vancouver, British Columbia (FSCwire) - [Noram Ventures Inc.](#) (the "Company") (TSX-V: NRM) reports that it continues to seek new acquisitions to create shareholder value.

The focus of the Company's effort is currently on a review of several mineral properties in both the United States and Canada. These projects vary in their stage of exploration and include lithium and other multi-element mineral targets.

While due diligence is ongoing, the Company can make no assurances that an acquisition will be concluded.
