

TORONTO, ON / ACCESSWIRE / April 29, 2016 / [Purepoint Uranium Group Inc.](#) (TSXV: PTU) (the "Company") is pleased to announce the closing of the second tranche of the previously announced non-brokered private placement for gross proceeds of \$1,139,800. The Company issued 10,984,000 common share units at a price of \$0.075 per unit and 3,717,650 flow-through units at a price of \$0.085 per unit. Each common share unit consists of one common share in the capital of the Company and one common share purchase warrant. Each flow-through unit consists of one common share in the capital of the Company issued on a "flow through" basis pursuant to the Income Tax Act (Canada) and one common share purchase warrant. Each warrant entitles its holder to purchase one common share in the capital of the Company at an exercise price of \$0.10 per share for a period of 36 months from the date of issuance. The closing is subject to final acceptance by the TSX Venture Exchange of the private placement.

The net proceeds of the private placement will be used to advance the Company's Hook Lake exploration program in Saskatchewan and for working capital purposes.

In connection with the closing of the private placement, the Company paid Echelon Wealth Partners Inc., Sprott Global Resource Investments Ltd. and Haywood Securities Inc. finders' fees consisting of \$23,488.50 in cash and 303,380 non-transferable compensation warrants. Each compensation warrant entitles its holder to purchase one common share in the capital of the Company at an exercise price of \$0.10 per share for a period of 36 months after the closing date.

All securities issued in connection with the second tranche closing of the private placement are subject to a four-month hold period pursuant to the applicable securities laws with an expiry date of August 29, 2016.
