

CALGARY, ALBERTA--(Marketwired - May 11, 2016) - [Tanager Energy Inc.](#) ("Tanager" or the "Corporation") (TSX VENTURE:TAN) announced today that further to its news release dated May 6, 2016, Tanager has set the pricing and the terms for its previously announced private placement offering for gross proceeds of up to \$3,750,000 (the "Offering"). Pursuant to the Offering, Tanager will issue up to 37,500,000 subscription receipts ("Subscription Receipts") at a price of \$0.10 per Subscription Receipt. The gross proceeds of the Offering will be held in trust by Tanager's counsel, as Subscription Receipts agent.

Upon the closing of the proposed acquisition of an undivided 50% interest in certain lease holdings and a 50% participation right in certain wells to be drilled on those leases, in Polk County and Tyler County, Texas (the "Proposed Transaction"; see Tanager's April 27, 2016 and May 6, 2016 news releases) on or prior to July 29, 2016, each Subscription Receipt will automatically be converted into one common share of Tanager without payment of additional consideration. If the closing of the Proposed Transaction does not occur, is terminated or Tanager has announced to the public that it does not intend to proceed with the Proposed Acquisition on or before July 29, 2016, each holder of Subscription Receipts will be reimbursed the original subscription price and the Subscription Receipts will be cancelled.

Closing of the Offering is subject to regulatory approval, including approval of the TSX Venture Exchange. A finder's fee of up to 5% of the gross proceeds of the Offering may be paid in cash or common shares, on all or any portion of the Offering to persons authorized under applicable law to receive such fees. The securities issued in connection with the Offering will be subject to a four month and 1 day hold period from the closing date. The net proceeds from the Offering will be used as follows: approximately \$600,000 for Tanager's 50% working interest in the drilling and completion of a new Leduc D3 well at Joffre; approximately \$2,200,000 for the payment of the purchase price and the transaction costs for the Proposed Transaction; and the balance of the gross proceeds to pay costs of the Offering, retire outstanding liabilities and to replenish working capital.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as the term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
