

CALGARY, AB--(Marketwired - May 12, 2016) - (TSX: ECA) (NYSE: ECA)

[Encana Corp.](#) is hosting a presentation for investors focused on the Montney on May 17, 2016 at the JW Marriott Essex House in New York City.

The event will provide participants the opportunity to deepen their knowledge of this premier resource play and its significant liquids potential. The presentation will include discussion of the evolution of the play, market dynamics, how Encana continues to increase well productivity and lower costs, and the company's future development plans.

A live audio webcast of the presentation, which begins at 6 a.m. MT (8 a.m. ET), will be available at <http://media.rampard.com/encana/20160517/reg.jsp>.

Encana Corporation

Encana is a leading North American energy producer that is focused on developing its strong portfolio of resource plays, held directly and indirectly through its subsidiaries, producing natural gas, oil and natural gas liquids (NGLs). By partnering with employees, community organizations and other businesses, Encana contributes to the strength and sustainability of the communities where it operates. Encana common shares trade on the Toronto and New York stock exchanges under the symbol ECA.
