

TORONTO, ONTARIO--(Marketwired - May 16, 2016) - [Reliant Gold Corp.](#) ("Reliant" or the "Corporation") (TSX VENTURE:REC) is pleased to announce a proposed non-brokered private placement (the "Offering") of up to 600,000 working capital units (the "WC Units") of the Corporation at a price of \$0.05 per WC Unit for up to \$30,000 in gross proceeds.

Each WC Unit consists of one (1) common share of the Corporation priced at \$0.05 per common share and one (1) common share purchase warrant (each a "WC Warrant"), with each WC Warrant entitling the holder to acquire one (1) common share of the Corporation until five (5) years from the closing of the Offering at a price of \$0.05 per common share.

Proceeds from the Offering will be used for general working capital. It is anticipated that certain Insiders of the Corporation will participate in the proposed Offering, and that their subscriptions in the Offering may constitute more than 25% of the Offering.

No cash commission or compensation of any other kind is being paid in relation to the above-noted Offering, and Reliant has previously disclosed all material information relating to the Corporation.

Due to the fact that certain Insiders are expected to subscribe for the WC Units pursuant to the Offering, the Offering will be a "related party transaction" for the purposes of Multilateral instrument 61-101 - Protection of Minority Security Holders in Special Transactions ("MI 61-101"). The Corporation anticipates that it will rely on the exemptions from the valuation and minority approval requirements of MI 61-101 contained in paragraph (a) of Section 5.5 and paragraph (1)(a) of Section 5.7, respectively, of MI 61-101, as neither the fair market value of the Offering of nor the fair market value of the consideration for the Offering will exceed 25% of the Corporation's market capitalization.

It is anticipated that the offering will close as soon as is practicable and no later than June 15, 2016, as the Corporation requires the working capital that will be provided by the proceeds of the Offering immediately.

The Offering is subject to regulatory approval, including approval of the TSX Venture Exchange. All securities to be issued pursuant to the above-referenced Offering will be subject to a statutory four month hold period, such period to commence on the date of closing of the Offering.

This press release is not an offer to sell or a solicitation of an offer to buy the securities, nor shall there be any sale of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to qualification or registration under the securities laws of such jurisdiction. The Units being sold pursuant to the offering have not been and will not be registered under the United States Securities Act of 1933, as amended, and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the United States Securities Act of 1933, as amended.
