

MOSCOW, May 24, 2016 (GLOBE NEWSWIRE) -- Mechel PAO (NYSE:MTL) (MOEX:MTLR), a leading Russian mining and metals company, reports that its Chief Financial Officer Andrey Slivchenko is leaving the company following the completion of his two-year contract.

"We are deeply grateful to Andrey Slivchenko for his huge contribution into our efforts on stabilizing the company's financial situation. Andrey joined our team at a very complicated time and has well discharged the duties he was tasked with. We wish him luck in his future projects," Mechel PAO's Chief Executive Officer Oleg Korzhov commented.

Mechel is an international mining and steel company which employs over 67,000 people. Its products are marketed in Europe, Asia, North and South America, Africa. Mechel unites producers of coal, iron ore concentrate, steel, rolled products, ferroalloys, heat and electric power. All of its enterprises work in a single production chain, from raw materials to high value-added products.

Some of the information in this press release may contain projections or other forward-looking statements regarding future events or the future financial performance of Mechel, as defined in the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. We wish to caution you that these statements are only predictions and that actual events or results may differ materially. We do not intend to update these statements. We refer you to the documents Mechel files from time to time with the U.S. Securities and Exchange Commission, including our Form 20-F. These documents contain and identify important factors, including those contained in the section captioned "Risk Factors" and "Cautionary Note Regarding Forward-Looking Statements" in our Form 20-F, that could cause the actual results to differ materially from those contained in our projections or forward-looking statements, including, among others, the achievement of anticipated levels of profitability, growth, cost and synergy of our recent acquisitions, the impact of competitive pricing, the ability to obtain necessary regulatory approvals and licenses, the impact of developments in the Russian economic, political and legal environment, volatility in stock markets or in the price of our shares or ADRs, financial risk management and the impact of general business and global economic conditions.
