

Edmonton, Alberta--(Newsfile Corp. - May 30, 2016) - [Altiplano Minerals Ltd.](#) (TSXV: APN) ("APN" or the "Company") further to the Company's press release dated May 3, 2016, APN announces that it has increased the non-brokered private placement (the "Offering") by 1.0 million units (the "Units"). The total Offering has therefore increased from 5.0 million units to 6.0 million units at C\$0.10 per Unit to raise C\$600,000 in gross proceeds. Each Unit will consist of one (1) common share and one-half (½) of a non-transferable share purchase warrant (the "Warrants") of the Company. Each whole Warrant will be exercisable to acquire one (1) additional common share at \$0.15 per share for a period of one year from the closing date of the Offering. The Company may pay cash finder's fees raised in connection with the financing to arm's length finders in accordance with the policies of the TSX Venture Exchange.

Completion of the Offering is subject to the delivery of definitive subscription agreements and TSX Venture Exchange's acceptance. All of the securities issued pursuant to this Offering will have a hold period expiring four months and a day after the closing date. The net proceeds of the Offering will be used primarily for the Company's general working capital purposes.

This release includes certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical facts, that address exploration drilling, exploitation activities and events or developments that the Company expects are forward-looking statements. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results or developments may differ materially from those in the forward-looking statements. Factors that could cause actual results to differ materially from those in forward-looking statements include market prices, exploitation and exploration successes, continuity of mineralization, uncertainties related to the ability to obtain necessary permits, licenses and title and delays due to third party opposition, changes in government policies regarding mining and natural resource exploration and exploitation, and continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. For more information on the Company, investors should review the Company's continuous disclosure filings that are available at www.sedar.com.
