

VANCOUVER, BRITISH COLUMBIA--(Marketwired - May 30, 2016) - [DuSolo Fertilizers Inc.](#), (TSX VENTURE:DSF) ("DuSolo" or "the Company") is pleased to announce that it has granted directors and officers a total of 4,600,000 incentive stock options ("Options"). All Options granted are exercisable for a five-year period at a price of C\$0.05 per common share of the Company ("Common Share") until May 31, 2021. The Options were granted in accordance with the Company's Stock Option Plan and shall vest in accordance with the terms of the Plan.

Granting of these Options is subject to TSX Venture Exchange approval.

ABOUT DUSOLO

[DuSolo Fertilizers Inc.](#) is focused on developing a fully integrated process to produce phosphate based fertilizers within the Cerrado region of Brazil as part of a nationwide effort, incentivized by the government, to increase supply of domestically sourced fertilizers and achieve agricultural self sufficiency.

On behalf of DuSolo Fertilizers Inc.

Giles Baynham, Chief Executive Officer

Forward-looking statements

Certain information contained in this press release constitutes "forward-looking information", within the meaning of Canadian legislation. Generally, these forward-looking statements can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur", "be achieved" or "has the potential to". Forward looking statements contained in this press release may include statements regarding the future operating or financial performance of DuSolo which involve known and unknown risks and uncertainties which may not prove to be accurate. Actual results and outcomes may differ materially from what is expressed or forecasted in these forward-looking statements. Such statements are qualified in their entirety by the inherent risks and uncertainties surrounding future expectations. Among those factors which could cause actual results to differ materially are the following: market conditions and other risk factors listed from time to time in our reports filed with Canadian securities regulators on SEDAR at www.sedar.com. The forward-looking statements included in this press release are made as of the date of this press release and DuSolo disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as expressly required by applicable securities legislation.

Neither the TSX Venture Exchange Inc. nor its Regulation Service Provider (as that term is defined in the policies of the TSX Venture Exchange Inc.) accepts responsibility for the adequacy or accuracy of this press release.
