

NOT FOR RELEASE, PUBLICATION OR DISTRIBUTION IN WHOLE OR IN PART IN OR INTO THE UNITED STATES.

[Nouveau Monde Mining Enterprises Inc.](#) ("Nouveau Monde" or the "Corporation")(TSX VENTURE:NOU)(OTC PINK:NMGRF)(FRANKFURT:NM9) announces two non-brokered private placements for a maximum of \$1,500,000 (the "Offering") by a combination of units (the "Units") at a price of \$0.25 per Unit and flow-through shares at a price of \$0.30 per flow-through share. The Corporation intends to complete the Offering on or before June 15, 2016 (the "Closing").

Each unit is comprised of one common share of the Corporation (the "Common Share") and one-half of one common share purchase warrant (the "Warrant"). Each Warrant shall entitle the holder thereof to subscribe for one Common Share of the capital stock of the Corporation, at a price of \$0.35 per Common Share, for a period of 12 months following the Closing. The Common Shares, the flow-through shares and the Warrants are subject to a hold period of 4 months and a day from Closing under Canadian Securities legislation.

The proceeds of the Offering will be used by Nouveau Monde for its working capital and to incur exploration expenses on the Matawinie property.

The Offering is subject to the receipt of all necessary regulatory approvals. The Corporation may pay, at Closing, fees to dealers duly registered in accordance with applicable securities legislation a cash commission up to 6% of the gross proceeds of the Offering and a number of non transferable compensation options of the Corporation up to 6% of the aggregate number of Common Shares comprised in the Units and the flow-through shares sold pursuant to the Offering.

The securities issued under the first tranche of the Units Offering have not been registered under the United States Securities Act of 1933 (the "Act") or any state securities laws and may not be offered or sold absent registration under the Act and applicable state securities laws or an applicable exemption from the registration requirements thereof. This news release does not constitute an offer to sell or a solicitation of an offer to buy, nor shall there be any sale of these securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction or an exemption there from.

About Nouveau Monde

Nouveau Monde is a mining exploration company holding a large portfolio of base and precious metals and industrial minerals in the province of Québec. Our business model is based on the generation of projects in new underexplored territories using the most advanced remote sensing and geophysical tools available in the industry. The company is now focusing on the development of its first major discovery on the Matawinie graphite project.

This announcement is not for release, publication or distribution, in whole or in part, directly or indirectly, in or into the United States (including its territories and possessions, any state of the United States and the District of Columbia). This announcement is not an offer of securities for sale into the United States. The securities referred to herein have not been and will not be registered under the Act, as amended, and may not be offered or sold in the United States, except pursuant to an applicable exemption. No public offering of securities is being made in the United States.

The statements herein that are not historical facts are forward-looking statements. These statements address future events and conditions and so involve inherent risks and uncertainties. Actual results could differ from those currently projected. The Corporation does not assume the obligation to update any forward-looking statement.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
