

MONTREAL, QC--(Marketwired - June 21, 2016) - [Falco Resources Ltd.](#) (TSX VENTURE: FPC) ("Falco" or the "Company) is pleased to confirm that the Company has elected to accelerate to July 17, 2016 the expiry date of 2,312,500 warrants (the "Warrants") issued as part of the July 22, 2015 private placement completed with strategic QuÃ©bec Funds and [Osisko Gold Royalties Ltd.](#), and which were originally set to expire on July 22, 2017. Each Warrant may be exercised to acquire one common share of Falco at \$0.52, for gross proceeds to Falco of up to C\$1.2 million assuming all Warrants are exercised.

Under the terms of the Warrants, Falco is permitted to accelerate their expiry date if the volume weighted average trading price of the Company's common shares listed on the TSX-V is at or above C\$0.65 for twenty consecutive trading days (the "Acceleration Event"). Falco is pleased to confirm that an Acceleration Event occurred as of June 16, 2016. Accordingly, Falco has chosen to accelerate the expiry date of the Warrants to July 17, 2016.

#### About Falco

[Falco Resources Ltd.](#) is one of the largest mineral claim holders in the Province of QuÃ©bec, with extensive land holdings in the Abitibi Greenstone Belt. Falco owns 74,000 hectares of land in the Rouyn-Noranda mining camp, which represents 70% of the entire camp and includes 13 former gold and base metal mine sites. Falco's principal property is the Horne Mine, which was operated by Noranda from 1927 to 1976 and produced 11.6 million ounces of gold and 2.5 billion pounds of copper. A updated 43-101 mineral resource estimate for the Horne 5 deposit delineated an Indicated Resource of 5,361,000 gold equivalent ounces ("oz AuEq"), including 3,418,232 oz Au hosted in 58.3 million tonnes averaging 2.86 g/t AuEq (1.82 g/t Au; 15.60 g/t Ag; 0.20% Cu; 1.00% Zn) and an Inferred Resource of 1,254,000 oz AuEq, including 854,534 oz Au hosted in 12.7 million tonnes averaging 3.08 g/t AuEq (2.10 g/t Au; 26.26 g/t Ag; 0.22% Cu; 0.57% Zn.) -- see January 25<sup>th</sup>, 2016 press release for details. Osisko Gold Royalties is the largest shareholder of the Company and currently owns 16.2% of the outstanding shares of the Company.

#### Cautionary Note Regarding Forward-Looking Statements

*This news release contains forward-looking statements and forward-looking information (together, "forward-looking statements") within the meaning of applicable securities laws and the United States Private Securities Litigation Reform Act of 1995. All statements, other than statements of historical facts, are forward-looking statements. Generally, forward-looking statements can be identified by the use of terminology such as "plans", "expects", "estimates", "intends", "anticipates", "believes" or variations of such words, or statements that certain actions, events or results "may", "could", "would", "might", "will be taken", "occur" or "be achieved" and includes, without limitation, that all outstanding Warrants will be exercised by the holders thereof in a timely manner. Forward-looking statements involve risks, uncertainties and other factors that could cause actual results, performance, prospects and opportunities to differ materially from those expressed or implied by such forward-looking statements. Factors that could cause actual results to differ materially from these forward-looking statements include those risks set out in Falco's public documents, including in each management discussion and analysis, filed on SEDAR at www.sedar.com. Although Falco believes that the assumptions and factors used in preparing the forward-looking statements are reasonable, undue reliance should not be placed on these statements, which only apply as of the date of this news release, and no assurance can be given that such events will occur in the disclosed times frames or at all. Except where required by applicable law, Falco disclaims any intention or obligation to update or revise any forward-looking statement, whether as a result of new information, future events or otherwise.*

#### Cautionary Note Concerning Mineral Resources

*This press release uses the term "inferred" resources and "indicated resources", we advise investors that while this term is recognized and required by Canadian regulations, the United States Securities and Exchange Commission does not recognize it. "Inferred" resources and "indicated resources" have a great amount of uncertainty as to their existence and as to their economic and legal feasibility. It cannot be assumed that all or any part of an inferred resource will ever be upgraded to a higher category. Under Canadian rules, estimates of inferred mineral resources may not form the basis of feasibility or other economic studies. United States investors are cautioned not to assume that all or any part of measured or indicated mineral resources will ever be converted into mineral reserves. United States investors are also cautioned not to assume that all or any part of an inferred mineral resource exists, or is economically or legally mineable.*
